

OVERARCHING MISSION

A fairer, greener future for all people in Glasgow

PROCESS

Transforming the economy in a way that is as fair and inclusive as possible to everyone, creating decent work opportunities and leaving no one behind

Ensuring that the benefits of climate change action are shared widely, while the costs do not unfairly burden those least able to pay, or whose livelihoods are directly or indirectly at risk as the economy shifts and changes

RECOMMENDED ACTIONS

Short-Term Focus

12-18 months

Establish governance and ownership models for planning and delivering the transition

Led by

Economic Development and Sustainability

Develop a concept for a Liveable Neighbourhood in Glasgow in the context of the Just Transition

Led by

Liveable Neighbourhoods and Active Travel Team
