

COMMUNITY EMPOWERMENT (SCOTLAND) ACT 2015

DISPOSAL OF POSSIBLE COMMON GOOD PROPERTY

**SECTIONS OF ROADWAY AT ROTTENROW, NORTH PORTLAND STREET
AND RICHMOND STREET, GLASGOW**

DECISION NOTICE

Why did we consult?

Glasgow City Council (“the Council”) received a request from the University of Strathclyde to transfer land to them which currently forms part of adopted roads at Richmond Street, North Portland Street and Rottenrow, Glasgow. This will allow them to carry out public realm improvement works within their campus in order to provide a safe and environmentally friendly environment for their students and members of the public. This land was originally acquired by the former of Burgh of Glasgow and, as such, may form part of the Council’s Common Good assets. Consequently, the Council undertook a consultation under Section 104 of the Community Empowerment (Scotland) Act 2015.

Consultation

A consultation was carried out in terms of Section 104 of the Community Empowerment (Scotland) Act 2015 with a closing date of 10 May 2024. No representations were received.

Decision

As no representations have been received the Council will proceed with the disposal to the University of Strathclyde.
