WHAT SUPPORT DO I RECEIVE?

Our friendly staff are there to help you get where you want to be! We will provide support with issues in your personal life (such as housing, drug and alcohol misuse, money worries) as well as addressing your offending behaviour. Our staff will provide one to one support and when you're ready, work with you to create CV's, apply for jobs or attending training courses.

You will work on our programme at your own pace and be provided with the support needed to succeed!

BENEFITS TO JOINING CHOICEWORKS
