

**Asset Transfer under the Community Empowerment (Scotland) Act 2015
DECISION NOTICE – AGREED**

**Beatroute Arts
(Charity Number SC036099)**

To: [REDACTED]
Address: [REDACTED]
Date: 9 August 2019

This Decision Notice relates to the asset transfer request made by **Beatroute Arts** validated on **2 August 2018** in relation to **285 Wallacewell Road, Glasgow, G21 3RP**.

Glasgow City Council has decided to **agree** to the request.

This decision was made after a thorough evaluation process against pre-determined criteria outlined in the Council report of [November 2017](#). The reasons for this decision are as follows:

1. The Community Transfer Body (CTB) has a strong track record of project delivery and is currently managing the asset and delivering a wide range of services in response to local needs.
2. The proposal is made in the context of the investment the CTB has already made into the asset alongside the level of community benefits that will continue to be delivered from the asset.
3. The proposal is likely to promote regeneration, public health, social well-being and environmental well-being, providing employment and training opportunities and providing facilities for the local community. In doing so it is likely to reduce inequalities of outcome which result from socio-economic disadvantage experienced in the local area.
4. The Council has no current or planned use for this asset, and is not aware of alternative proposals for it.
5. In the absence of any alternative plans, the planned community benefits coupled with a modest capital receipt of £45,000 fit with the intention of the Community Empowerment (Scotland) Act 2015 that Relevant Authorities should agree to Requests unless there are reasonable grounds for refusal.

The **attached** document specifies the terms and conditions subject to which we would be prepared to transfer ownership of the asset to you. If you wish to proceed, you must submit an offer to us by 8 February 2020 (6 months). The offer must reflect the terms and conditions attached and may include other such reasonable terms and conditions as are necessary or expedient to secure the transfer within a reasonable time.

5. Confirmation of permissions (planning, environmental etc) in place and any that remain outstanding at the time of offer
