

## Commercial Services - Container Dimensions

Each waste type of General, Dry Mixed Recycling, Food and Glass requires to be collected in separate containers. We provide the following wheeled bins and trade sacks for waste collection purposes.

A member of the commercial team will discuss your waste requirements and the space the bin(s) will take up in or near your premises when assessing your needs along with any key information relating to the service we provide.

**From Left to Right: 240 Litre, 1100 Litre, 1280 Litre, 660 Litre, 360 Litre**
