Clare Malloy
Glasgow City Council
231 George St
G1 1RX

Dear Ms. Malloy,

I've only just been made aware of the proposed asset transfer at Cathkin Park. I feel that this proposal has been made in a very underhand way as there has been no local meetings of the residents to discuss the proposition.

I therefore would like my objection noted and that nothing be decided until the local residents have had an opportunity to discuss the matter.
Yours faithfully
