## **TRUSTEES' ANNUAL REPORT FOR THE YEAR ENDED 31 MARCH 2017**

The Directors, who are the Trustees for the purposes of charity law, are pleased to present their annual report (including their strategic report) and group financial statements for the year ended 31 March 2017. Culture and Sport Glasgow has been entered into the Scottish Charity Register and is entitled, in accordance with section 13(1) of the Charities and Trustee Investment (Scotland) Act 2005, to refer to itself as a charity registered in Scotland.

These are also prepared to meet the requirements for a directors' report and accounts for Companies Act purposes.

The financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended), the Companies Act 2006, the Memorandum and Articles of Association and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

### **Objectives and Activities**

#### **Principal activity**

The principal activity of the charity is the provision of cultural, recreation and leisure facilities on behalf of Glasgow City Council in accordance with the following charitable objectives to:

- Provide or assist in the provision of facilities for recreation or other leisure time occupation in the interests of social welfare for the general public and in particular in connection with the local authority area of The City of Glasgow as defined in the Local Government etc. (Scotland) Act 1994 with the object of improving the conditions of life for the Community;
- Provide, whilst providing or assisting in the provision of such facilities for the Community, special facilities for persons who by reason of their youth, infirmity or disability, poverty or social and economic circumstances may need special facilities; and
- Promote good health among the Community through education, healthy eating and standards of nutrition together with exercise and play.

#### **Vision Statement**

"To inspire Glasgow's citizens and visitors to lead richer and more active lives through culture and sport".

#### **Strategic Objectives**

Glasgow Life's strategic objectives are outcome focussed and ensure that we can align the delivery of all our services to the City's strategic priorities, as follows:

- Glasgow citizens will flourish in their personal, family and community life (through regular participation in learning, sport, cultural and creative opportunities).
- Enhanced skills and learning among (and contribute to the employability of) our citizens.
- Glasgow's local, national and international image, identity and infrastructure are enhanced.
- (Contribute to) Glasgow is a safer, greener and more sustainable city.
- Glasgow Life is a continuously improving, effective and efficient organisation providing high quality services.
- Glasgow's cultural heritage is protected and shared with its citizens and visitors.
- Reduced inequalities in Glasgow (relative to Scotland and between Glasgow Citizens).
- Enhanced health and wellbeing for all those who live and work in Glasgow.

The Company Business and Service Plan which includes our Strategic Context and Strategic Outcomes is approved by the Board on an annual basis. This was last approved by the Board on the 22<sup>nd</sup> March 2017

**STRATEGIC REPORT – the headings ‘achievements and performance, financial review and plans for future periods’ form the Strategic Report.**

**Achievements and performance**

**2016/17 PERFORMANCE**

Across the organisation, our performance remains strong. Glasgow Life’s performance management framework continues to monitor the progress of all our services with a focus on meeting the city’s priorities and our strategic service. The specific focus is on:

- Glasgow Life’s Business and Service Plan
- Glasgow City Council’s Strategic Plan
- Glasgow’s Single Outcome Agreement
- Commonwealth Games Legacy Framework

With this in mind we ensure that SMART measures are adopted when setting targets for performance indicators and we use Audit Scotland’s system to demonstrate progress against targets:

-  More than 5% below targeted performance
-  2.5% to 4.9% below targeted performance
-  Performance between -2.49% and target(or better)

During 2016-17 we agreed to report to Glasgow City Council on these three key areas of performance:

Measure	Target	Actual	Status
The number of attendances at Glasgow Life directly managed venues excluding festivals and events	17 million	18.1 million*	
Income generated through the company’s charity and CIC	£36.8 million (charity) £29.3 million (CIC) £7.5 million	£34.2 million (charity) £27.6 million (CIC) £6.6 million	
Deliver against key themes set out in 2014 Commonwealth Games Legacy Framework	Active theme	On track	

A further 1,059,079 attendances were recorded at key events, festivals and musical performances. This figure includes Mela, Merchant City Festival and Celtic Connections. The total figure for all attendances at Glasgow Life services were 19,167,333.

**Statutory Performance Indicators**

Three Statutory Performance Indicators (SPIs) are reported in line with our contractual agreement with Glasgow City Council. These are also reported to Glasgow Life’s Board.

Measure	Target	Actual	Status
Sport visits: the number of attendances per 1,000 population including pools	9,861	10,667	
The number of visits to/usages of council funded or part funded museums per 1,000 population	6,958	6,979	
The number of visits to libraries per 1,000 population	8,602	9,010	

Performance is reported to Glasgow Life's Board throughout the year across a range of measures including financial performance, learning, employability and volunteering opportunities in the city.

Measure	Target	Actual	Status
Breakdown of the number of attendances at Glasgow Life directly managed venues, excluding festivals and events	17,007,323	18,108,254	
Glasgow Sport	6,428,687	6,398,838	
Glasgow Libraries	5,216,000	5,463,208	
Glasgow Museums	3,300,786	3,840,953	
Community Facilities	1,258,700	1,523,918	
Glasgow Arts, Music & Cultural Venues	803,150	881,337	

## Financial Review

### Review of the year

The results for the year are shown on page 13 in the group statement of financial activities.

The surplus on unrestricted general funds for the year to 31 March 2017 was £193,000 (2016: surplus £807,000). After accounting for the group and the charity's participation in the Strathclyde Pension Fund and movement on unrestricted designated funds, the overall unrestricted balance for the group at 31 March 2017 was a deficit of £101,581,000 (2016: £48,383,000). The group generated £13,544,000 (2016: £8,998,000) of restricted funds during the year, which after expenditure of £8,029,000 (2016: £11,873,000) had a closing balance of £9,967,000 (2016: £4,013,000).

The overall group reserve position is a deficit of £91,614,000 (2016: deficit of £44,370,000) as a result of the pension liability as at 31 March 2017 of £103,940,000 (2016: £49,433,000).

The financial statements have been prepared on the going concern basis as management believe that the group has sufficient net assets, post balance sheet date, to meet the annual cash commitments required to service the long term pension liability for a period in excess of 12 months from the signing of the financial statements give that the long term pension liability will not fall due in any one year.

The subsidiary company, Culture and Sport Glasgow (Trading) CIC, has a turnover of £6,639,000 (2016: £6,583,000) generating a profit before tax of £1,880,000 (2016: £1,955,000). The subsidiary company gifted £1,880,000 to the charitable company (2016: £1,955,000). It is intended that the subsidiary company will gift aid or covenant all future profits generated to the parent charitable company.

On 29 April 2016, Glasgow City Council, the sole member of Glasgow City Marketing Bureau (GCMB) transferred its membership to Culture and Sport Glasgow. From this date GCMB has operated as a subsidiary of Culture and Sport Glasgow. GCMB reported a turnover of £6,534,384 and a loss before taxation of £31,199 for the year ended 31 March 2017. In 2016/17, GCMB gift aids all available profits to the charitable company.

The key performance indicators used by management during the year have been included within the performance review section of this report.

### **Investment policy**

The charity had substantial cash balances as at 31 March 2017, primarily as a result of timing differences in respect of payments to the parent organisation, and other creditors. Free reserves of the charity and the trading subsidiary will be invested in external cash term deposits where cash flow projections permit, to maximise the rate of return while minimising the risk.

### **Risk Assessment**

The company applies a significant level of corporate governance to the identification and management of business risk. A detailed risk register is maintained and reviewed regularly by the Senior Management Team and includes amongst others, areas ranging from employee engagement and management, health and safety, financial risk, corporate compliance, service delivery and property management.

The risk register has been presented to the Audit Committee for scrutiny during the year to ensure that risk is drawn to the attention of the Trustees and that appropriate arrangements are established to mitigate identified risks. The Director of Finance has responsibility for ensuring all risks identified are managed to the agreed outcomes.

The top 5 risks identified are failure to secure a stable platform for records management and specialist archive databases; disruption to services while implementing organisational change; failure to meet income targets for Sport; constraints on capital investment in sustainable infrastructure resulting in insufficient funding to maintain property infrastructure and ensuring compliance with the new General Data Protection Regulations (GDPR) coming into force from May 2018.

### **Reserves policy**

The charity holds restricted and unrestricted reserves. Within unrestricted reserves, the charity has designated within the pension reserve the long term pension liabilities arising from its participation in the Strathclyde Pension Fund. The Board of Directors' intention is to accumulate an undesignated reserve fund which is sufficient to allow the charity protection against future adverse economic conditions or investment challenges. The Audit Committee reviews the reserves Policy on an annual basis and at its meeting on 8<sup>th</sup> December 2016, agreed to continue the reserves policy of a target of between 1.5% and 2.5% of turnover to provide protection against future adverse economic conditions. The Board continues to review this position on an ongoing basis as the business continues to develop and grow its proposition. General reserves, which are shown in the balance sheet as unrestricted funds, amount to £554,000 (2016: £284,000), before inclusion of the pension reserve. This amount represents 0.5% of total unrestricted income which is below the target of reserves. The Board are aware of this drop in reserves as a result of the reflection of Employee Benefit Accrual. The Board of Directors have approved a budget for 2017-18 which aims to generate a breakeven position.

In line with the charity's contract with Glasgow City Council and Service Fee received for the provision of services is agreed annually. In the year ended 31 March 2017 this amounted to £72,793,769 (2016: £75,379,960), which is the equivalent of eight months funding of expenditure (2016: eight months). The Directors will continue to monitor the funding position as the year progresses. The significant deficit on the designated pension reserve will be serviced through contributions to the scheme as determined by the actuaries on the basis of the triennial funding valuation.

## Plans for future periods

### Targets for 2017-18

A target of 18,108,808 has been approved for attendances at Glasgow Life directly managed venues for the financial year 2017-18.

Venue	Target
Glasgow Libraries	5,410,173
Glasgow Museums	3,422,500
Glasgow Arts, Music and Cultural Venues*	845,470
Glasgow Sport	6,276,431
Glasgow Events	832,826
Community Facilities	1,321,408
<b>Total</b>	<b>18,108,808</b>

The 2017/18 targets for Glasgow Conventions have been set as follows:

Economic value of conference sales won for future years	£140m
Actual economic value of conferences taking place in the city during the financial year	£100m

The 2017-18 targets for income generated through the company's charity and CIC are as follows:

Income generation	Target
Charity	£30.7 million
CIC	£7.4 million
<b>Total</b>	<b>£38.1 million</b>

During 2016 Culture and Sport Glasgow took ownership of Glasgow City Marketing Bureau (GCMB) following agreement from both organisations' boards and Glasgow City Council. GCMB is therefore a wholly owned subsidiary of Culture and Sport Glasgow. The wider benefits of this transfer will result from promoting the City internationally and across the UK, and as a consequence maximising participation by both citizens and visitors in the cultural and sporting assets and events that are part of Glasgow's unique selling points.

## Structure, Governance and Management

### Charitable status

The charity is limited by guarantee, governed by its memorandum and articles of association consequently it does not have a share capital. Each member has undertaken to contribute an amount not exceeding one pound towards any deficit arising in the event of the charity being wound up. Glasgow City Council guarantee to accept liability for any unfunded costs which may arise with regard to Culture and Sport Glasgow relating to their membership of the Local Government Pension Scheme (LGPS) administered by Glasgow City Council should they cease to exist, withdraw from LGPS or otherwise be unable to continue to cover any unfunded liabilities. The charity has charitable status under Section 505 of the income and Corporation Taxes Act 1988 and the Scottish Charity Number is SC037844.

## Trustees

A list of current trustees, including those who served during the year, can be found on page 7. This represents a change to the composition of the board as a result of the takeover of Glasgow City Marketing Bureau to reflect the wider interests and responsibilities of the new group. The composition of the Board of Directors is as follows:

- The maximum number of trustees shall be fourteen (2016: twelve) of which: -
  - A maximum of five (2016: five) trustees shall be “Partner Directors” i.e. any elected member of Glasgow City Council who is willing to act as a trustee, be appointed by Glasgow City Council
  - A maximum of eight (2016: six) trustees shall be “Independent Directors”
  - A maximum of one (2016: one) shall be the executive Director

Glasgow City Council, so long as it remains a member of the Company, shall appoint both Partner and Independent Directors to the Board. In the case of Independent Directors, the Council shall be guided by a Nominations Committee, established by the Board of Culture and Sport Glasgow, in relation to the selection of appropriate individuals for appointment. With regard to the Executive Director, it is for the Trustees, at the first meeting of Trustees to be held after the appointment of any individual to the post of Chief Executive of the Company, to appoint that individual as an Executive Director.

## Policies and procedure for induction and training of trustees

An induction training process is in place for all new trustees, and this covers both the strategic and operational issues affecting the charity. The ongoing training needs of the directors are considered by the board and where appropriate internal and external training is provided.

## Organisation Structure

The Board of Directors meets every two months with Trustees and Senior Management present. Decisions are taken and set the overall strategy for the business as well as to monitor its activities. Senior Management is charged with the task of implementing these decisions. Responsibility for day to day operations of the charity has been delegated to the Chief Executive, who is also a trustee. The Audit Committee meets to consider the strategic management of the charity's financial resources, both capital and revenue. This includes liaison with internal and external auditors and consideration of risks.

The charity has a trading subsidiary, Culture and Sport Glasgow (Trading) CIC, the results of which are consolidated into the charity's financial statements. The subsidiary company provides services such as catering facilities and the provision of retail shopping in the venues operated by the charity. Surpluses generated from these activities are paid over by gift aid to the charity during the year. During 16/17 the charity operated an additional subsidiary, Glasgow City Marketing Bureau. From 17/18 onwards the activities will be integrated into the Charity and CIC following OSCR recommendations.

The ultimate parent undertaking, who consolidate the results of the charity and its group, is Glasgow City Council.

## Employees

The charity maintains a policy of regularly providing all employees and, where represented, trade unions with information on the charity's performance. It is the charity's policy to give full consideration to applicants with a disability and we have a variety of policies, procedures and guidance to support them in the workplace.

## Directors' Indemnities

The trustees have the benefit of an indemnity which is a qualifying third party indemnity provision as defined by section 243 of the Companies Act 2006. The indemnity was in force throughout the last financial year and is currently in force. The charity also purchased and maintained throughout the financial year, Directors' and Officers' liability insurance in respect of itself and its directors.

### Approval of the Trustees' annual report, on behalf of the Board of Directors

In approving the Trustees' Annual Report, the trustees are also approving the Strategic Report in their capacity as company directors.

Approved by the Board on 13<sup>th</sup> September 2017 and signed on its behalf by:

**David McDonald**  
*Chair*

## **STATEMENT OF TRUSTEES' RESPONSIBILITIES**

The trustees (who are also directors of Culture and Sport Glasgow for the purposes of company law) are responsible for preparing the Trustees' Annual Report (including the Strategic Report) and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year. Under that law the trustees have prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and the group and of the incoming resources and application of resources, including the income and expenditure, of the charitable group for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and the group and enable them to ensure that the financial statements comply with the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). They are also responsible for safeguarding the assets of the charitable company and the group and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

## **STATEMENT OF INTERNAL CONTROL**

### **Scope of Responsibility**

As Director of Finance and Corporate Services, I have responsibility for maintaining a sound system of internal control that supports the Charity in delivering its Objectives and Activities, while safeguarding the assets and their use for charitable purposes.

### **Purpose of the System of Internal Control**

The system of internal control is designed to minimise rather than eliminate the risk of failure to achieve the charity's objectives. It can therefore only provide reasonable and not absolute assurance of effectiveness.

The system is based on an ongoing process designed to identify the principal risks to the achievement of the charity's objectives, to evaluate the nature and extent of those risks and to manage them efficiently, effectively and economically.

The process is consistent with guidance in the Scottish Public Finance Manual (SPFM) and has been in place for the year ended 31 March 2017 and up to the date of approval of the annual report and financial statements.

### **Risk and Control Framework**

Our Risk Management process is also consistent with the key principles for a successful risk management strategy as set out in the SPFM. The Risk Register undergoes a major review on a six monthly basis with the outcomes of the review being reported directly to the Senior Management Team and the Audit Committee. The top five risks are also reported to the Board of Trustees at every Board Meeting.

The Charity is committed to a process of continuous development and improvement in this area and is open to all developments in best practice in this area. We continue to engage with our Internal Auditors and our Insurance Brokers to share best practice in the review and development of our Risk Register.

### **Review of Effectiveness**

As Director of Finance and Corporate Services, I have responsibility for reviewing the effectiveness of the system of internal control. My review is informed by: -

- the management within the organisation who have responsibility for the development and maintenance of the internal control framework;
- the work of our internal auditors, who submit to the Audit Committee regular reports which include the Chief Internal Auditors independent and objective opinion on the adequacy and effectiveness of the organisations systems of internal control along with recommendations for improvement;
- comments made by the external auditors in their management letters and other reports.

Appropriate action is in place to address any weaknesses identified and we work closely with management and our auditors to ensure the continuous improvement of the system.

## **INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES AND MEMBERS OF CULTURE AND SPORT GLASGOW**

We have audited the financial statements of Culture and Sport Glasgow for the year ended 31 March 2017 which comprise the Group Statement of Financial Activities (incorporating the Income and Expenditure Account), Parent Charity Statement of Financial Activities (incorporating the Income and Expenditure Account), Group Balance Sheet, Charity Balance Sheet, Group Statement of Cash Flows and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)'.

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and with Section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and regulations made under section 44 of that Act. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

### **Respective responsibilities of trustees and auditor**

As explained more fully in the Statement of Trustees' Responsibilities, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

We have been appointed auditor under section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and under the Companies Act 2006 and report in accordance with regulations made under those Acts.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

### **Scope of the audit of the financial statements**

A description of the scope of an audit of financial statements is provided on the Financial Reporting Council's web-site at [www.frc.org.uk/auditscopeukprivate](http://www.frc.org.uk/auditscopeukprivate).

### **Opinion on financial statements**

In our opinion the financial statements:

- give a true and fair view of the state of the group's and the parent charitable company's affairs as at 31 March 2017 and of the group's and the parent charitable company's incoming resources and application of resources, including the group's and parent income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005 and regulations 6 and 8 of the Charities Accounts (Scotland) Regulations 2006 (as amended).

### **Opinion on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Annual Report (incorporating the Strategic Report) for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Trustees' Annual Report has been prepared in accordance with applicable legal requirements.

**Matters on which we are required to report by exception**

In the light of the knowledge and understanding of the charitable group and the parent charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees Annual report (incorporating the Strategic Report).

We have nothing to report in respect of the following matters where the Companies Act 2006 and the Charities Accounts (Scotland) Regulations 2006 (as amended) requires us to report to you if, in our opinion:

- the parent charitable company has not kept proper and adequate accounting records or returns adequate for our audit have not been received from branches not visited by us; or
- the parent charitable company's financial statements are not in agreement with the accounting records or returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

**Notes to the financial statements**  
(forming part of the financial statements)

**1. Accounting policies**

***Basis of accounting***

The financial statements have been prepared in accordance with the Financial Reporting Standard 102 as issued by the Financial Reporting Council, the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)", the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended).

The charity meets the definition of a public benefit entity under FRS 102 and has taken advantage of paragraph 3(3) of Schedule 4 of the Companies Act and adapted the Companies Act formats to reflect the special nature of the charity's activities.

These financial statements are presented in pounds sterling (GBP) as that is the currency in which the charity's transactions are denominated.

The preparation of financial statements requires the use of certain critical accounting estimates. It also requires trustees to exercise their judgements in the process of applying accounting policies. Use of available information and application of judgement are inherent in the formation of estimates. Actual outcomes in the future could differ from such estimates. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed in note 2.

***Basis of consolidation***

The consolidated financial statements include the financial statements of the charitable company and its subsidiary undertakings Culture and Sport Glasgow (Trading) CIC and Glasgow City Marketing Bureau made up to 31 March 2017.

***Income and expenditure***

Owing to the special nature of the business of the charity and in the interests of presenting the results clearly to the members, it is considered inappropriate to adhere to the income and expenditure format described under section 400 of the Companies Act 2006. A statement of financial activities has been prepared in a form which is considered to give the members a true and fair view of the results for the period and which also complies with the requirements of Section 400 of the Act and Statement of Recommended Practice applicable to charities (Charities SORP (FRS 102)).

***Going concern***

The financial statements have been prepared on the going concern basis as management believe that the charity has sufficient new assets, post balance sheet date, to meet the annual cash commitments required to service the long term pension liability for a period in excess of 12 months from the signing of the financial statements given that the long term pension liability will not fall due in any one year.

***Fund Accounting***

*General Funds* are restricted funds which have not been designated for other purposes and which are available for use at the discretion of the trustees, in furtherance of the general objectives of the charity and as such, transfers between these unrestricted funds, may be freely made at the discretion of the trustees.

*Restricted funds* are funds which are restricted in how may be used by the trustees.

***Incoming resources***

Activities for generating income are accounted for on an accruals basis.

Income (including income from grants) is recognised in the accounting period when there is entitlement, probability of receipt and the amount can be measured with sufficient reliability.

Income from Glasgow City Council is accounted for on an accruals basis and is agreed in advance based on the level of service provided.

**Notes to the financial statements**  
(forming part of the financial statements)

Investment Income is accounted for on an accruals basis.

**Resources Expended**

All expenditure is accounted for on an accruals basis. Where costs cannot be directly attributed to a cost heading, they have been allocated on a basis consistent with use of the resources.

*Costs of generating funds*

Costs of generating funds represents the direct operational costs involved within the subsidiary undertaking to provide services such as catering facilities, hire of conference facilities and the provision of retail shopping in the venues and events operated by the parent company.

*Costs of charitable activities*

Costs of charitable activities represent the direct operational costs expended on the provision of cultural, recreational and leisure facilities in accordance with the company's charitable objectives.

Support costs relate to corporate services costs and are not allocated to specific service areas but are shown across functions, as outlined in Note 3.

*Governance costs*

Governance costs are those cost incurred in compliance with constitutional and statutory requirements including related professional fees.

**Leases**

Operating lease rentals are charged to the income and expenditure account on a straight line basis over the period of the lease. All buildings operated by the charity are leased from Glasgow City Council for a peppercorn rental.

**Stocks**

Stocks of materials and consumables are stated at the lower of cost and net realisable value in the ordinary course of operating.

**Debtors**

Trade debtors are amounts due from customers for merchandise sold or services performed. Trade debtors are recognised at the undiscounted amount of cash receivable, which is normally invoice price, less any allowances for doubtful debts.

**Cash and Liquid resources**

Cash, for the purpose of the cash flow statement, comprises cash in hand and deposits repayable on demand, less overdrafts payable on demand.

**Creditors**

Trade creditors are obligations to pay for goods or services that have been acquired. They are recognised at the undiscounted amount owed to the supplier, which is normally the invoice price.

**Financial assets and financial liabilities**

Financial instruments are recognised in the statement of financial activities when the charity becomes a party to the contractual provisions of the instrument. Financial instruments are initially measured at transaction price unless the arrangement constitutes a financing transaction which includes transaction costs for financial instruments not subsequently measured at fair value. Subsequent to initial recognition, they are accounted for as set out below. A financing transaction is measured at the present value of the future payment discounted at the market rate of interest for similar debt instrument.

Financial instruments are classified as either 'basic' or 'other' in accordance with Chapter 11 of FRS 102.

**Notes to the financial statements**  
(forming part of the financial statements)

At the end of each reporting period, basic financial instruments are measured at amortised cost using the effective rate method. All financial instruments not classified as basic are measured at fair value at the end of the reporting period with the resulting changes recognised in income or expenditure. Where the fair value cannot be reliably measured, they are recognised at cost less impairment.

Financial assets are derecognised when the contractual rights to the cash flows from assets expire, or when the charity has transferred substantially all the risks and rewards of ownership. Financial liabilities are derecognised only once the liability has been extinguished through discharge, cancellation or expiry.

**Depreciation**

Assets are held at cost. Depreciation is provided on all tangible fixed assets at rates calculated to write off the cost less estimated residual value of each asset evenly over its expected useful life as follows with no depreciation charged in the month of acquisition:

- Plant and equipment 3 to 7 years
- Leasehold improvement 10 years

The de-minimis applied, when considering capitalisation of expenditure, is £1,000 (2014: £1,000).

**Taxation**  
Group

The charge for corporation taxation is based on the taxable profit for the year. Deferred taxation is recognised, without discounting, in respect of all timing differences between the treatment of certain items for taxation and accounting purposes which have arisen but not reversed by the balance sheet date, except as otherwise required by FRS 102.

*Charitable company*

Culture and Sport Glasgow is considered to pass the tests set out in Paragraph 1 Schedule 6 Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 part 11 Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

**Pensions**

Culture and Sport Glasgow is a member of the Strathclyde Pension Fund, a Local Government Pension Scheme, which is a defined benefit pension scheme. The Fund is administered by Glasgow City Council in accordance with the Local Government Scheme (Scotland) Regulations 1998 as amended. All existing and new employees have the option of joining the Fund. The assets and liabilities of the scheme are held separately from those of the Trust in an independently administered fund.

The pension costs charged in the period are based on actuarial methods and assumptions designed to spread the anticipated pension costs over the service life of employees in the scheme, so as to ensure that the regular pension costs represent a substantially level percentage of the current and expected future pensionable payroll. Variations from regular costs are spread over the remaining service lives of current employees in the scheme.

The cost of providing benefits is determined using the Projected Unit Credit Method, with actuarial valuations being carried out at each reporting date. Actuarial gains and losses arising from experience adjustments and changes in assumptions are recognised immediately in the Statement of Financial Activities. All costs related to the defined benefit scheme are recognised in the Statement of Financial Activities.

The retirement benefit obligation recognised in the balance sheet represents the present value of the defined benefit obligation as reduced by the fair value of plan assets. Any asset resulting from the calculation is limited to the present value of available refunds and reductions in future contributions to the plan.

**Termination benefits**

Termination benefits are payable when employment is terminated before the normal retirement date, or whenever an employee accepts voluntary redundancy in exchange for these benefits. Termination benefits are recognised in the statement of financial activities when it is demonstrably committed to either (i) terminating the employment of current

**Notes to the financial statements**  
(forming part of the financial statements)

employees according to a detailed formal plan without possibility of withdrawal, or (ii) providing termination benefits as a result of an offer made to encourage voluntary redundancy.

**2. Critical judgements and estimates**

In preparing the financial statements, trustees make estimates and assumptions which affect reported results, financial position and disclosure of contingencies. Use of available information and application of judgement are inherent in the formation of the estimates, together with past experience and expectations of future events that are believed to be reasonable under the circumstances. Actual results in the future could differ from such estimates.

Critical judgements are made in the application of income recognition accounting policies, and the timing of the recognition of income in accordance with the Charities SORP (FRS 102).

**Defined benefit pension and other post-employment benefits**

The present value of the defined benefit pension and other post-employment benefit obligations depends on a number of factors that are determined on an actuarial basis using a number of assumptions. The assumptions used in determining the net cost (income) for pension and other post-employment benefits include the discount rate. Any changes in these assumptions will have an effect on the carrying amount of pension and other post-employment benefits.

After taking appropriate professional advice, management determines the appropriate discount rate at the end of each reporting period. This is the interest rate that should be used to determine the present value of estimated future cash outflows expected to be required to settle the pension obligations. In determining the appropriate discount rate, consideration is given to the interest rates of high-quality corporate bonds that are denominated in the currency which the benefits are to be paid and that have terms to maturity approximating the terms of the related pension liability.

**21. Pension Scheme**

Group and Charity

Culture and Sport Glasgow participates in the Local Government Pension Scheme, which is administered by Strathclyde Pension Fund and is a defined benefit pension scheme. The assets are held separately from those of the charity in investments and are under the supervision of the Fund Trustees. The fund includes both a funded and an unfunded portion.

The Strathclyde Pension Fund is a defined benefit scheme into which employee' and employer's contributions, and interest and dividends from investments are paid and from which pensions, lump sums and superannuation benefits are paid out. Employees' contributions are tiered and employer's basic contributions are assessed every three years by an actuary and are fixed to ensure the fund remains solvent and in a position to meet its future liabilities. The actuarial method used is known as Projected Unit Credit Method. The last actuarial valuation was at 31 March 2014 and following this valuation employer's contributions increased to 19.3% for the years ended 31 March 2015 and 2016 -2018 respectively. Employer's contributions for the period 31 March 2017 amounted to £8,356,000 and was based on a 19.3% contribution.
