## **ANNUAL REPORT FOR THE YEAR ENDED 31 MARCH 2019**

The Directors, who are the Trustees for the purposes of charity law, are pleased to present their annual report (including their strategic report) and group financial statements for the year ended 31 March 2019. Culture and Sport Glasgow has been entered into the Scottish Charity Register and is entitled, in accordance with section 13(1) of the Charities and Trustee Investment (Scotland) Act 2005, to refer to itself as a charity registered in Scotland.

These are also prepared to meet the requirements for a directors' report and accounts for Companies Act purposes.

The financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended), the Companies Act 2006, the Memorandum and Articles of Association and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

Glasgow Life is the operating name of Culture and Sport Glasgow and Culture and Sport (Trading) CIC.

### **Objectives and Activities**

#### **Principal activity**

The principal activity of the charity is the provision of cultural, recreation and leisure facilities on behalf of Glasgow City Council in accordance with the following charitable objectives to:

- Provide or assist in the provision of facilities for recreation or other leisure time occupation in the interests of social welfare for the general public and in particular in connection with the local authority area of The City of Glasgow as defined in the Local Government etc. (Scotland) Act 1994 with the object of improving the conditions of life for the Community;
- Provide, whilst providing or assisting in the provision of such facilities for the Community, special facilities for persons who by reason of their youth, infirmity or disability, poverty or social and economic circumstances may need special facilities; and
- Promote good health among the Community through education, healthy eating and standards of nutrition together with exercise and play.

#### **Vision Statement**

"To inspire Glasgow's citizens and visitors to lead richer and more active lives through culture and sport".

#### **Strategic Objectives**

Glasgow Life's strategic objectives are outcome focussed and ensure that we can align the delivery of all our services to the City's strategic priorities, as follows:

- Glasgow citizens will flourish in their personal, family and community life (through regular participation in learning, sport, cultural and creative opportunities).
- Enhanced skills and learning among (and contribute to the employability of) our citizens.
- Glasgow's local, national and international image, identity and infrastructure are enhanced.
- (Contribute to) Glasgow is a safer, greener and more sustainable city.
- Glasgow Life is a continuously improving, effective and efficient organisation providing high quality services.
- Glasgow's cultural heritage is protected and shared with its citizens and visitors.
- Reduced inequalities in Glasgow (relative to Scotland and between Glasgow Citizens).
- Enhanced health and wellbeing for all those who live and work in Glasgow.

The Company Business and Service Plan which includes our Strategic Context and Strategic Outcomes is approved by the Board on an annual basis. This was last approved by the Board on the 29th March 2019.

**STRATEGIC REPORT – the headings ‘achievements and performance, financial review and plans for future periods’ form the Strategic Report.**

**Achievements and performance**

Glasgow Life’s performance management framework monitors the progress of all our services with a focus on meeting the city’s priorities and our charitable objectives. To support this approach our focus is underpinned by:

- Glasgow Life’s Business and Service Plan (annual)
- Glasgow City Council’s Strategic Plan (2017-2022)
- Commonwealth Games Legacy Framework (2009-2019)

We ensure that SMART (specific, measurable, attainable, realistic and timely) measures are adopted when setting targets for performance indicators and we use Audit Scotland’s system to demonstrate progress against targets:

-  More than 5% below targeted performance
-  2.5% to 4.9% below targeted performance
-  Performance between -2.49% and target(or better)

During 2018/19 we agreed to report to Glasgow City Council on these three key areas:

Measure	Target	Actual	Status
Total no of attendances at Glasgow Life directly managed venues excluding festivals and events	18.2 million	18.9 million	
Income generated through the company’s charity and CIC	£38.7 million (charity) £31.3 million (CIC) £7.4 million	£38.4 million (charity) £31.1 million (CIC) £7.3 million	

Performance is reported to Glasgow Life’s Board throughout the year across a range of measures including a breakdown of usage of every Glasgow Life service area.

Measure	Target	Actual	Status
Total no of attendances at Glasgow Life directly managed venues, including festivals and events	18,203,470	18,893,058

## Financial Review

### Review of the year

The results for the year are shown on page 14 in the group statement of financial activities.

The surplus on unrestricted general funds for the year to 31 March 2019 was £21,000 (2018: surplus £19,000). After accounting for the group and the charity's participation in the Strathclyde Pension Fund and movement on unrestricted designated funds, the overall unrestricted balance for the group at 31 March 2019 was a deficit of £79,031,000 (2018: £40,941,000). The group generated £16,380,000 (2018: £12,773,000) of restricted funds during the year, which after expenditure of £12,503,000 (2018: £12,121,000) and transfer of funds of £511,000 (2018: £663,000) had a closing balance of £15,670,000 (2018: £11,282,000).

The overall group reserve position is a deficit of £63,361,000 (2018: deficit of £29,659,000) as a result of the pension liability as at 31 March 2019 of £80,555,000 (2018: £42,660,000).

The financial statements have been prepared on the going concern basis as management believe that the group has sufficient net assets, post balance sheet date, to meet the annual cash commitments required to service the long term pension liability for a period in excess of 12 months from the signing of the financial statements given that the long term pension liability will not fall due in any one year.

The subsidiary company, Culture and Sport Glasgow (Trading) CIC, has a turnover of £10,045,000 (2018: £9,794,000) generating a profit before tax of £1,730,000 (2018: £1,930,000). The subsidiary company gifted £1,730,000 to the charitable company (2018: £1,931,000). It is intended that the subsidiary company will gift aid or covenant all future profits generated to the parent charitable company.

The key performance indicators used by management during the year have been included within the performance review section of this report.

### Investment policy

The charity had substantial cash balances as at 31 March 2019, primarily as a result of timing differences in respect of payments to the parent organisation, and other creditors. Free reserves of the charity and the trading subsidiary will be invested in external cash term deposits where cash flow projections permit, to maximise the rate of return while minimising the risk.

### Risk Assessment

The company applies a significant level of corporate governance to the identification and management of business risk. A detailed risk register is maintained and reviewed regularly by the Senior Management Team and includes amongst others, areas ranging from employee engagement and management, health and safety, financial risk, corporate compliance, service delivery and property management.

The risk register has been presented to the Audit Committee for scrutiny during the year to ensure that risk is drawn to the attention of the Directors and that appropriate arrangements are established to mitigate identified risks. The Director of Finance & Corporate Services has responsibility for ensuring all risks identified are managed to the agreed outcomes.

The top 5 risks identified are disruption to services while implementing organisational change; impact of change programme across Glasgow Life; ability to deliver a sustainable budget; ability to deliver the savings required over the next 3 years and the impact of economic constraint on capital investment in property infrastructure.

### Reserves policy

The charity holds restricted and unrestricted reserves. Within unrestricted reserves, the charity has designated within the pension reserve the long term pension liabilities arising from its participation in the Strathclyde Pension Fund. The Board of Directors' intention is to accumulate an undesignated reserve fund which is sufficient to allow the charity protection against future adverse economic conditions or investment challenges. The Audit Committee reviews the reserves Policy on an annual basis and at its meeting on 6<sup>th</sup> December 2018, agreed to continue the reserves policy of a target of between 1.5% and 2.5% of turnover to provide protection against future adverse economic conditions. The Board continues to review this position on an ongoing basis. General reserves, which are shown in the balance sheet as unrestricted funds, amount to £594,000 (2018: £573,000), before inclusion of the pension reserve. This amount represents 0.5% of total unrestricted income which is below the target of reserves. The Board is aware that this remains below the target for reserves and will aim to rebuild reserves steadily when finances permit. The drop in reserves was a result of the change to Accounting Policies in 2016/17 which required the inclusion of an Employee Benefit Accrual. The Board of Directors has approved a budget for 2019-20 which aims to generate a breakeven position.

In line with the charity's contract with Glasgow City Council the Service Fee received for the provision of services is agreed annually. In the year ended 31 March 2019 this amounted to £73,375,000 (2017: £73,549,000), which is the equivalent of eight months funding of expenditure (2018: eight months). The Directors will continue to monitor the funding position as the year progresses. The significant deficit on the designated pension reserve will be serviced through contributions to the scheme as determined by the actuaries on the basis of the triennial funding valuation.

### Plans for future periods

#### Targets for 2019-20

A target of 18,018,392 has been approved for attendances at Glasgow Life directly managed venues, events and festivals for the financial year 2019/20. This takes into account a number of influencing factors, including the planned closure of venues for maintenance and refurbishment and a planned investment programme for Glasgow Sport, Communities and Libraries.

Service	Target
Community Facilities	1,363,581
Glasgow Arts, Music, Cultural Venues and Festivals*	1,105,000
Glasgow Events	439,284

<b>Total</b>	<b>£260 million</b>

**Income generated through the company's charity and CIC targets:**

<b>Income generation</b>	<b>Target</b>
Charity	£32.2 million
CIC	£6.9 million
<b>Total</b>	<b>£39.1 million</b>

## Structure, Governance and Management

### Charitable status

The charity is limited by guarantee, governed by its memorandum and articles of association and consequently it does not have a share capital. Each member has undertaken to contribute an amount not exceeding one pound towards any deficit arising in the event of the charity being wound up. Glasgow City Council guarantees to accept liability for any unfunded costs which may arise with regard to Culture and Sport Glasgow relating to its membership of the Strathclyde Pension Fund, a Local Government Pension Scheme (LGPS) administered by Glasgow City Council should it cease to exist, withdraw from LGPS or otherwise be unable to continue to cover any unfunded liabilities. The charity has charitable status under Section 505 of the income and Corporation Taxes Act 1988 and the Scottish Charity Number is SC037844.

### Directors

A list of current directors, including those who served during the year, can be found on page 7. The composition of the Board of Directors is as follows:

- The maximum number of directors shall be fourteen (2018: fourteen) of which: -
  - A maximum of five (2018: five) directors shall be “Partner Directors” i.e. any elected member of Glasgow City Council who is willing to act as a director, appointed by Glasgow City Council
  - A maximum of eight (2018: eight) directors shall be “Independent Directors”
  - A maximum of one (2018: one) shall be the Executive Director

Glasgow City Council, so long as it remains a member of the Company, shall appoint both Partner and Independent Directors to the Board. In the case of Independent Directors, the Council shall be guided by a Nominations Committee, established by the Board of Culture and Sport Glasgow, in relation to the selection of appropriate individuals for appointment. With regard to the Executive Director, it is for the Directors, at the first meeting of Directors to be held after the appointment of any individual to the post of Chief Executive of the Company, to appoint that individual as an Executive Director.

### Policies and procedure for induction and training of directors

An induction training process is in place for all new directors, and this covers both the strategic and operational issues affecting the charity. The ongoing training needs of the directors are considered by the board and where appropriate internal and external training is provided.

### Organisation Structure

The Board of Directors meets ordinarily every two months with Senior Management present. Decisions are taken and set the overall strategy for the business as well as to monitor its activities. Senior Management is charged with the task of implementing these decisions. Responsibility for day to day operations of the charity has been delegated to the Chief Executive, who is also a director. The Audit Committee meets to consider the strategic management of the charity's financial resources, both capital and revenue. This includes liaison with internal and external auditors and consideration of risks.

The charity has a trading subsidiary, Culture and Sport Glasgow (Trading) CIC, the results of which are consolidated into the charity's financial statements. The subsidiary company provides services such as catering facilities and the provision of retail shopping in the venues operated by the charity. Following the integration of Glasgow City Marketing Bureau during 16/17 CIC activity also now includes the work of the Glasgow Convention Bureau and Destination Marketing who contribute to the delivery of Glasgow's Tourism and Visitor Plan. Surpluses generated from these activities are paid over by gift aid to the charity during the year.

The ultimate parent undertaking, who consolidate the results of the charity and its group, is Glasgow City Council.

### Employees

The charity maintains a policy of regularly providing all employees and, where represented, trade unions with information on the charity's performance. It is the charity's policy to give full consideration to applicants with a disability and we have a variety of policies, procedures and guidance to support them in the workplace.

## Directors' Indemnities

The directors have the benefit of an indemnity which is a qualifying third party indemnity provision as defined by section 243 of the Companies Act 2006. The indemnity was in force throughout the last financial year and is currently in force. The charity also purchased and maintained throughout the financial year, Directors' and Officers' liability insurance in respect of itself and its directors.

*Chair*

## **STATEMENT OF DIRECTORS' RESPONSIBILITIES**

The directors (who are also trustees of Culture and Sport Glasgow for the purposes of charity law) are responsible for preparing the Annual Report (including the Strategic Report) and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the director to prepare financial statements for each financial year. Under that law the directors have prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and the group and of the incoming resources and application of resources, including the income and expenditure, of the charitable group for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and the group and enable them to ensure that the financial statements comply with the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). They are also responsible for safeguarding the assets of the charitable company and the group and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are responsible for the maintenance and integrity of the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

## **STATEMENT OF INTERNAL CONTROL**

### **Scope of Responsibility**

As Director of Finance and Corporate Services, I have responsibility for maintaining a sound system of internal control that supports the Charity in delivering its Objectives and Activities, while safeguarding the assets and their use for charitable purposes.

### **Purpose of the System of Internal Control**

The system of internal control is designed to minimise rather than eliminate the risk of failure to achieve the charity's objectives. It can therefore only provide reasonable and not absolute assurance of effectiveness.

The system is based on an ongoing process designed to identify the principal risks to the achievement of the charity's objectives, to evaluate the nature and extent of those risks and to manage them efficiently, effectively and economically.

The process is consistent with guidance in the Scottish Public Finance Manual (SPFM) and has been in place for the year ended 31 March 2019 and up to the date of approval of the annual report and financial statements.

### **Risk and Control Framework**

Our Risk Management process is also consistent with the key principles for a successful risk management strategy as set out in the SPFM. The Risk Register undergoes a major review on a six monthly basis with the outcomes of the review being reported directly to the Senior Management Team and the Audit Committee. The top five risks are also reported to the Board of Directors at every meeting.

Glasgow Life is committed to a process of continuous development and improvement in this area and is open to all developments in best practice in this area. We continue to engage with our Internal Auditors and our Insurance Brokers to share best practice in the review and development of our Risk Register.

### **Review of Effectiveness**

As Director of Finance and Corporate Services, I have responsibility for reviewing the effectiveness of the system of internal control. My review is informed by: -

- the management within the organisation who have responsibility for the development and maintenance of the internal control framework;
- the work of our internal auditors, who submit to the Audit Committee regular reports which include the Chief Internal Auditors independent and objective opinion on the adequacy and effectiveness of the organisations systems of internal control along with recommendations for improvement;
- comments made by the external auditors in their management letters and other reports.

Appropriate action is in place to address any weaknesses identified and we work closely with management and our auditors to ensure the continuous improvement of the system.

## **INDEPENDENT AUDITOR'S REPORT TO THE DIRECTORS AND MEMBERS OF CULTURE AND SPORT GLASGOW**

### **Opinion**

We have audited the financial statements of Culture and Sport Glasgow (the parent charitable company) and its subsidiary (the group) for the year ended 31 March 2019 which comprise the Consolidated and Parent Charitable Company Statement of Financial Activities (incorporating the Income and Expenditure Account), the Consolidated and Parent Charitable Company Balance Sheet, the Consolidated Statement of Cash Flows and the notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the group's and the parent charitable company's affairs as at 31 March 2019 and of the group's and parent charitable company's income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005 and regulations 6 and 8 of the Charities Accounts (Scotland) Regulations 2006 (as amended).

### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the group and parent charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Conclusions relating to going concern**

We have nothing to report in respect of the following matters in which the ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the group's or the parent charitable company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

## **Other information**

The directors are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our Auditor's Report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

## **Opinions on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Annual Report (incorporating the Strategic Report), which includes the Directors' Report and the Strategic Report prepared for the purposes of company law, for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic Report and the Directors' Report included within the Annual Report (incorporating the Strategic Report) have been prepared in accordance with applicable legal requirements.

## **Matters on which we are required to report by exception**

In the light of the knowledge and understanding of the group and parent charitable company and their environment obtained in the course of the audit, we have not identified material misstatements in the Annual Report (incorporating the Strategic Report).

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 and the Charities Accounts (Scotland) Regulations 2006 (as amended) require us to report to you if, in our opinion:

- adequate and proper accounting records have not been kept by the parent charitable company, or returns adequate for our audit have not been received from branches not visited by us; or
- the parent charitable company financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

## **Responsibilities of the directors**

As explained more fully in the directors' responsibilities statement set out on page 9, the directors (who are the directors for the purposes of company law and trustees for the purposes of charity law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the group's and the parent charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the parent charitable company or to cease operations, or have no realistic alternative but to do so.

## **Auditor's responsibilities for the audit of the financial statements**

We have been appointed as auditor under section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and under the Companies Act 2006 and report in accordance with the Acts and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our Auditor's Report.

### **Use of our report**

This report is made solely to the parent charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and to the charitable company's directors, as a body, in accordance with regulation 10 of the Charities Accounts (Scotland) Regulations 2006 (as amended).

Our audit work has been undertaken so that we might state to the parent charitable company's members, as a body, and the charitable company's directors, as a body, those matters we are required to state to them in an Auditor's Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the parent charitable company, the parent charitable company's members, as a body, and the parent charitable company's directors, as a body, for our audit work, for this report, or for the opinions we have formed.

**Notes to the financial statements**  
(forming part of the financial statements)

**1. Accounting policies**

***Basis of accounting***

The financial statements have been prepared in accordance with the Financial Reporting Standard 102 as issued by the Financial Reporting Council, the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)", the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended).

The charity meets the definition of a public benefit entity under FRS 102 and has taken advantage of paragraph 3(3) of Schedule 4 of the Companies Act and adapted the Companies Act formats to reflect the special nature of the charity's activities.

These financial statements are presented in pounds sterling (GBP) as that is the currency in which the charity's transactions are denominated.

The preparation of financial statements requires the use of certain critical accounting estimates. It also requires directors to exercise their judgements in the process of applying accounting policies. Use of available information and application of judgement are inherent in the formation of estimates. Actual outcomes in the future could differ from such estimates. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed in note 2 (page 21).

***Basis of consolidation***

The consolidated financial statements include the financial statements of the charitable company and its subsidiary undertaking Culture and Sport Glasgow (Trading) CIC made up to 31 March 2019.

***Income and expenditure***

Owing to the special nature of the business of the charity and in the interests of presenting the results clearly to the members, it is considered inappropriate to adhere to the income and expenditure format described under section 400 of the Companies Act 2006. A statement of financial activities has been prepared in a form which is considered to give the members a true and fair view of the results for the period and which also complies with the requirements of Section 400 of the Act and Statement of Recommended Practice applicable to charities (Charities SORP (FRS 102)).

***Going concern***

The financial statements have been prepared on the going concern basis as management believe that the charity has sufficient new assets, post balance sheet date, to meet the annual cash commitments required to service the long term pension liability for a period in excess of 12 months from the signing of the financial statements given that the long term pension liability will not fall due in any one year.

***Fund Accounting***

*General Funds* are restricted funds which have not been designated for other purposes and which are available for use at the discretion of the directors, in furtherance of the general objectives of the charity and as such, transfers between these unrestricted funds, may be freely made at the discretion of the directors.

*Restricted funds* are funds which are restricted in how they may be used by the directors.

***Incoming resources***

Activities for generating income are accounted for on an accruals basis.

Income (including income from grants) is recognised in the accounting period when there is entitlement, probability of receipt and the amount can be measured with sufficient reliability.

Income from Glasgow City Council is accounted for on an accruals basis and is agreed in advance based on the level of service provided.

**Notes to the financial statements**  
*(forming part of the financial statements)*

Investment Income is accounted for on an accruals basis.

**Resources Expended**

All expenditure is accounted for on an accruals basis. Where costs cannot be directly attributed to a cost heading, they have been allocated on a basis consistent with use of the resources.

*Costs of generating funds*

Costs of generating funds represents the direct operational costs involved within the subsidiary undertaking to provide services such as catering facilities, hire of conference facilities and the provision of retail shopping in the venues and events operated by the parent company.

*Costs of charitable activities*

Costs of charitable activities represent the direct operational costs expended on the provision of cultural, recreational and leisure facilities in accordance with the company's charitable objectives.

Support costs relate to corporate services costs and are not allocated to specific service areas but are shown across functions, as outlined in Note 3.

*Governance costs*

Governance costs are those cost incurred in compliance with constitutional and statutory requirements including related professional fees.

**Leases**

Operating lease rentals are charged to the income and expenditure account on a straight line basis over the period of the lease. All buildings operated by the charity are leased from Glasgow City Council for a peppercorn rental.

**Stocks**

Stocks of materials and consumables are stated at the lower of cost and net realisable value in the ordinary course of operating.

**Debtors**

Trade debtors are amounts due from customers for merchandise sold or services performed. Trade debtors are recognised at the undiscounted amount of cash receivable, which is normally invoice price, less any allowances for doubtful debts.

**Cash and Liquid resources**

Cash, for the purpose of the cash flow statement, comprises cash in hand and deposits repayable on demand, less overdrafts payable on demand.

**Creditors**

Trade creditors are obligations to pay for goods or services that have been acquired. They are recognised at the undiscounted amount owed to the supplier, which is normally the invoice price.

**Financial assets and financial liabilities**

Financial instruments are recognised in the statement of financial activities when the charity becomes a party to the contractual provisions of the instrument. Financial instruments are initially measured at transaction price unless the arrangement constitutes a financing transaction which includes transaction costs for financial instruments not subsequently measured at fair value. Subsequent to initial recognition, they are accounted for as set out below. A financing transaction is measured at the present value of the future payment discounted at the market rate of interest for similar debt instrument.

Financial instruments are classified as either 'basic' or 'other' in accordance with Chapter 11 of FRS 102.

**Notes to the financial statements**  
(forming part of the financial statements)

At the end of each reporting period, basic financial instruments are measured at amortised cost using the effective rate method. All financial instruments not classified as basic are measured at fair value at the end of the reporting period with the resulting changes recognised in income or expenditure. Where the fair value cannot be reliably measured, they are recognised at cost less impairment.

Financial assets are derecognised when the contractual rights to the cash flows from assets expire, or when the charity has transferred substantially all the risks and rewards of ownership. Financial liabilities are derecognised only once the liability has been extinguished through discharge, cancellation or expiry.

**Depreciation**

Assets are held at cost. Depreciation is provided on all tangible fixed assets at rates calculated to write off the cost less estimated residual value of each asset evenly over its expected useful life as follows with no depreciation charged in the month of acquisition:

- Plant and equipment 3 to 7 years
- Leasehold improvement 10 years

The de-minimis applied, when considering capitalisation of expenditure, is £1,000 (2018: £1,000).

**Taxation**  
Group

The charge for corporation taxation is based on the taxable profit for the year. Deferred taxation is recognised, without discounting, in respect of all timing differences between the treatment of certain items for taxation and accounting purposes which have arisen but not reversed by the balance sheet date, except as otherwise required by FRS 102.

*Charitable company*

Culture and Sport Glasgow is considered to pass the tests set out in Paragraph 1 Schedule 6 Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 part 11 Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

**Pensions**

Culture and Sport Glasgow is a member of the Strathclyde Pension Fund, a Local Government Pension Scheme, which is a defined benefit pension scheme. The Fund is administered by Glasgow City Council in accordance with the Local Government Scheme (Scotland) Regulations 1998 as amended. All existing and new employees have the option of joining the Fund. The assets and liabilities of the scheme are held separately from those of the Trust in an independently administered fund.

The pension costs charged in the period are based on actuarial methods and assumptions designed to spread the anticipated pension costs over the service life of employees in the scheme, so as to ensure that the regular pension costs represent a substantially level percentage of the current and expected future pensionable payroll. Variations from regular costs are spread over the remaining service lives of current employees in the scheme.

The cost of providing benefits is determined using the Projected Unit Credit Method, with actuarial valuations being carried out at each reporting date. Actuarial gains and losses arising from experience adjustments and changes in assumptions are recognised immediately in the Statement of Financial Activities. All costs related to the defined benefit scheme are recognised in the Statement of Financial Activities.

The retirement benefit obligation recognised in the balance sheet represents the present value of the defined benefit obligation as reduced by the fair value of plan assets. Any asset resulting from the calculation is limited to the present value of available refunds and reductions in future contributions to the plan.

**Termination benefits**

Termination benefits are payable when employment is terminated before the normal retirement date, or whenever an employee accepts voluntary redundancy in exchange for these benefits. Termination benefits are recognised in the statement of financial activities when it is demonstrably committed to either (i) terminating the employment of current

**Notes to the financial statements**  
(forming part of the financial statements)

employees according to a detailed formal plan without possibility of withdrawal, or (ii) providing termination benefits as a result of an offer made to encourage voluntary redundancy.

**2. Critical judgements and estimates**

In preparing the financial statements, directors make estimates and assumptions which affect reported results, financial position and disclosure of contingencies. Use of available information and application of judgement are inherent in the formation of the estimates, together with past experience and expectations of future events that are believed to be reasonable under the circumstances. Actual results in the future could differ from such estimates.

Critical judgements are made in the application of income recognition accounting policies, and the timing of the recognition of income in accordance with the Charities SORP (FRS 102).

**Defined benefit pension and other post-employment benefits**

The present value of the defined benefit pension and other post-employment benefit obligations depends on a number of factors that are determined on an actuarial basis using a number of assumptions. The assumptions used in determining the net cost (income) for pension and other post-employment benefits include the discount rate. Any changes in these assumptions will have an effect on the carrying amount of pension and other post-employment benefits.

After taking appropriate professional advice, management determines the appropriate discount rate at the end of each reporting period. This is the interest rate that should be used to determine the present value of estimated future cash outflows expected to be required to settle the pension obligations. In determining the appropriate discount rate, consideration is given to the interest rates of high-quality corporate bonds that are denominated in the currency which the benefits are to be paid and that have terms to maturity approximating the terms of the related pension liability.

**21. Pension Scheme**

Group and Charity

Culture and Sport Glasgow participates in the Local Government Pension Scheme, which is administered by Strathclyde Pension Fund and is a defined benefit pension scheme. The assets are held separately from those of the charity in investments and are under the supervision of the Fund Directors. The fund includes both a funded and an unfunded portion.

The Strathclyde Pension Fund is a defined benefit scheme into which employee' and employer's contributions, and interest and dividends from investments are paid and from which pensions, lump sums and superannuation benefits are paid out. Employees' contributions are tiered and employer's basic contributions are assessed every three years by an actuary and are fixed to ensure the fund remains solvent and in a position to meet its future liabilities. The actuarial method used is known as Projected Unit Credit Method. The last actuarial valuation was at 31 March 2017 and following this valuation employer's contributions remained at 19.3% for the years ended 31 March 2017 and 2018 -2021 respectively. Employer's contributions for the period 31 March 2019 amounted to £8,410,000 and were based on a 19.3% contribution.

The pension results for 2018/19 have taken into account the financial effects of the McCloud judgement and General Minimum Pension (GMP) equalisation.

When the LGPS Scotland benefit structure was reformed in 2015, transitional protections were applied to certain older members close to normal retirement age. The benefits accrued from 1 April 2015 by these members are subject to an

**Notes to the financial statements**  
(forming part of the financial statements)

'underpin' which means that they cannot be lower than what they would have received under the previous benefit structure. The underpin ensures that these members do not lose out from the introduction of the new scheme. In December 2018 the Court of Appeal upheld a ruling ("McCloud/Sargeant") that similar transitional protections in the Judges' and Firefighters' Pension Schemes were unlawful on the grounds of age discrimination. The implications of the ruling are expected to apply to the LGPS (and other public service schemes) as well.

Guaranteed minimum pension (GMP) was accrued by members of the Local Government Pension Scheme (LGPS) between 6 April 1978 and 5 April 1997. The value of GMP is inherently unequal between males and females for a number of reasons, including a higher retirement age for men and GMP accruing at a faster rate for women. However overall equality of benefits was achieved for public service schemes through the interaction between scheme pensions and the Second State Pension. The introduction of the new Single State Pension in April 2016 disrupted this arrangement and brought uncertainty over the ongoing indexation of GMPs, which could lead to inequalities between men's and women's benefits. As an interim solution to avoid this problem, GMP rules were changed so that the responsibility for ensuring GMPs kept pace with inflation passed in full to pension schemes themselves for members reaching state pension age between 6 April 2016 and 5 April 2021. This new responsibility leads to increased costs for schemes (including the LGPS) and hence scheme employers. The financial effects of this in the 2018/19 accounts is to increase the total liabilities by £1,440,000.

The financial effect of these pension issues has resulted in an increase in the net pension liability of £6,911,000.

The movement in the defined benefit obligation over the year is as follows:

	31 March 2019 £'000	31 March 2018 £'000

**Mortality**

Life expectancy is based on the Fund's VitaCurves with improvements in line with the CMI 2016 model with an allowance for smoothing of recent mortality experience and long term rates of 1.5% p.a for males and 1.25% p.a. for females. Based on these assumptions, the average future life expectancies at age 65 are summarised below:

	<b>Males</b>	<b>Females</b>
Current Pensioners	21.4 years	23.7 years
Future Pensioners	23.4 years	25.8 years

**Notes to the financial statements**

**23. Related Party**

Culture and Sport Glasgow is contracted to provide cultural, community, recreation and leisure services by Glasgow City Council (GCC). In the year to 31 March 2019 GCC provided funds of £73.4m (2018: £73.5m) to the charity in respect of the services undertaken by the charity on its behalf. At 31 March 2019 GCC owed the charity £4.2m (2018: £1.1m) in relation to normal trading activities.

The charity purchased goods and services of £110,066 from City Property (Glasgow) LLP of which Bailie Norman MacLeod is a Board Member. The charity also purchased goods and services of £325 and provided goods and services of £4,416 to Hidden Gardens Trust of which Bailie Norman MacLeod is also a Board Member.

The charity provided goods and services amounting to £1,312 to and purchased goods and services of £1,000 from University of Strathclyde of which Benny Higgins is a visiting professor. The charity also purchased goods and services of £1,048 from National Galleries of Scotland of which he is Chair.

The charity also provided goods and services amounting to £4,231 to High School of Glasgow of which Professor Sir Anton Muscatelli is Director.

The charity provided goods and services of £5,163 to Bees Knees Media of which Iain MacRitchie is a non-executive director.

**24. Contingent Liabilities and Assets**

In May 2017, Glasgow City Council recognised equal pay obligations following the Court of Session's judgement in relation to its pay protection arrangements. In January 2018, Glasgow City Council decided not to appeal a Court of Session ruling on its job evaluation scheme and instead address equal pay claims through negotiation with claimants' representatives. Glasgow City Council continues to engage with claimants' representatives in relation to the wider aspect of equal pay. While these claims pre-date Glasgow Life, a number of the current workforce are affected. It is too early to assess the specific financial implications.

Glasgow City Council has agreed to meet any financial liability.

**25. Ultimate Holding Organisation**

The ultimate holding organisation of the Group is Glasgow City Council. The financial statements of Glasgow City Council, which consolidate the results of Culture and Sport Glasgow, are available from Glasgow City Council, City Chambers, George Square, Glasgow G2 1DU.
