Dear [REDACTED]

Belated, but sincere thanks for coming in for a chat a week last Friday. We're all playing catch-up after the weather related excitement of last week! Your advice was beneficial and instructive and we are in the process of following up your ideas and suggestions – not least, to learn from initiatives like the Big Feed.

I've attached the document for the proposed pilot Fan Zone – a document which would have discussed with [REDACTED] a few weeks' ago. Our colleagues [REDACTED] and [REDACTED] have been actively involved with this for some time. There is also a page which gives a timeline (although the dates have been pushed back into next season). We will stay in touch throughout this process.

If there is any event we should attend, or you believe we could learn from – just let us know. Similarly, if there are people we should meet to progress matters, we'll happily take your advice. Thanks again, and we look forward to seeing you shortly.

All the best
