Hi [REDACTED]

Yes, Friday is fine for me. Anything 10am-5pm suits as nothing in the diary at the moment
Sorry about the offer of meeting today. I was off Fri & Mon, and had meetings in all morning today so just back in office an hour or so.

Regards

Hi [REDACTED]

Good to hear from you. Yes, I'd be keen to see what the latest plans are and to get a catch up. Next week I'd be good for most times Tuesday & Friday or the Thursday afternoon. Let me know what suits and where you'd like to meet.

I'll get a figure to you for our meeting too. Probably in the region of [REDACTED] I'd estimate for the full days exclusive hire of the venue & the 2 x staff (pitch, full indoor areas, car park).

Regards

Hi [REDACTED]

You free for a catch-up in the coming weeks? Would be good to let you know where we are with it all.

In addition, did you have a chance to confirm what the 'rent' would be?

Best,

Hi [REDACTED]

Sorry, I did pose the question last week (see below) but my Facilities Mgt team couldn't find anything which would help you out with those specific measurements.

The contractor who maintains all of our synthetic football pitch surfaces has told me that he is certain the kerb to kerb carpet size is 106m x 66m at Ibrox which is one of the measurements you required. That would at least mean you only have to measure the run-offs. Hope that helps

Hi [REDACTED]

I've had a look through the drawings we have here for Ibrox but only really have lease plans and asbestos drawings. There is nothing with dimensions, sizes of rooms/pitches or capacity.

Kind regards
