Great, thanks [REDACTED]

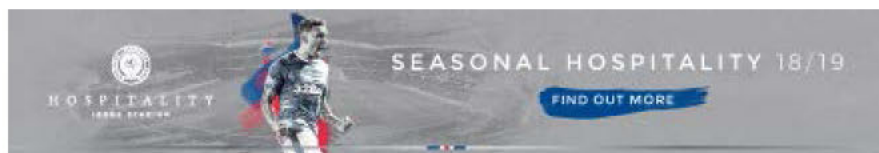

I'll come armed with my laptop, memory stick and handouts for everyone.

See you there.

FYI for tonight [REDACTED] A projector will has been made available if you want to do a presentation of the proposals & show the planned overlay & mock images etc?

I've not got anything to "present" necessarily but I will be providing input to the Community Council re: G/Life's support of the pilot fanzone with a view to putting to bed any concerns they may have from a facility use perspective etc. If we don't however get the Community Councils backing after tonight's meeting, then realistically a Fanzone at Ibrox Centre for RFC's first home game won't be achievable as per [REDACTED] [REDACTED] comms previously.

I'll catch up with you at Clyde hall prior to 7pm in any case.

Regards

Hi [REDACTED]

We have a projector for you tonight for your presentation.

Thanks [REDACTED]

Hi [REDACTED]

That's great that you are going to come along. Do you know roughly how long the presentation will be just so I give a proper slot on the agenda.

With regards to IT requirements better to go with hard copies just now. We do have a projector but I think [REDACTED] has it and he is [REDACTED]. I'll let you know if I can hold of it

Thanks [REDACTED]

Hi [REDACTED] and thanks for getting back to me.

I'd pencilled the CC meeting into my diary so i'll certainly be ok to come along tomorrow night. I had also spoken with [REDACTED] at RFC to give him an early heads-up that i'd asked whether we'd be welcomed. I'll now tell him that you've replied "yes" and to prepare something to present to the CC. [REDACTED] will likely bring a few colleagues from RFC who have also been involved in the Rangers Fanzone proposals.

Do you have any IT available at Clyde Community Hall that would allow us to possibly hook up a laptop to a tv or projector? Or are we best to just bring good old fashioned paper copies of layout plans, timings etc to share? We will bring hard copies just to be on the safe side but if there is an opportunity to hook up a presentation it would make our comms easier.

Thank you again and i'll see the other members of the CC in your absence tomorrow.

Regards

Hi █

Apologies for te delay in response, as I am just catching up on emails now due to work commitments.

The community council meeting is open to all involved in the community including yourself and █ from RFC. It would be beneficial for the residents to hear from you both as both the organisations you respresent are important to the Ibrox and Cessnock community.

We haven't had much engagement with the club in recent years other than the occasional invitation to the community clean ups. It would be good for both of you to hear the local community's concerns over the proposed fanzone.

Unfortunately I won't be there tomorrow evening as I am working however if you are going to attend, please let me know and I will add a slot to the agenda. I know this is short notice for you due to the delayed response so if you are unable to attend we could add you to the agenda for the next meeting in August

Kind regards

Hi █

I note from your published Agenda for the next meeting of the ICCC on 18th July that the proposed RFC Fanzone is to be discussed. As you will be aware the proposals involve the use of a Glasgow Sport facility (Ibrox Football Centre), which amongst other Glasgow Sport facilities in the South West, I currently have responsibility for the operations of.

I was hoping I would be welcomed at the next meeting in order to provide some

information on the proposals in light of ICCC objections being submitted to GCC Licensing? I would also ask whether I could extend that invitation to [REDACTED] who has been contact at RFC with regard to the proposals of a Fan Zone taking shape?

If you could advise me as soon as possible whether myself and/or [REDACTED] would be welcome at the meeting on Wednesday I will put it in my diary and look to contact [REDACTED] to check his availability.

Regards
