Subject: Re: Next ICCC Meeting - Attendance

Hi [REDACTED]

Apologies for the delay in response, as I am just catching up on emails now due to work commitments.

The community council meeting is open to all involved in the community including yourself and [REDACTED] from RFC. It would be beneficial for the residents to hear from you both as both the organisations you represent are important to the Ibrox and Cessnock community.

We haven't had much engagement with the club in recent years other than the occasional invitation to the community clean ups. It would be good for both of you to hear the local community's concerns over the proposed fanzone.

Unfortunately I won't be there tomorrow evening as I am working however if you are going to attend, please let me know and I will add a slot to the agenda. I know this is short notice for you due to the delayed response so if you are unable to attend we could add you to the agenda for the next meeting in August

Kind regards

Hi [REDACTED]

I note from your published Agenda for the next meeting of the ICCC on 18th July that the proposed RFC Fanzone is to be discussed. As you will be aware the proposals involve the use of a Glasgow Sport facility (Ibrox Football Centre), which amongst other Glasgow Sport facilities in the South West, [REDACTED]

I was hoping I would be welcomed at the next meeting in order to provide some information on the proposals in light of ICCO objections being submitted to GCC Licensing? I would also ask whether I could extend that invitation to [REDACTED] [REDACTED] who has been contact at RFC with regard to the proposals of a Fan Zone taking shape?

If you could advise me as soon as possible whether myself and/or [REDACTED] would be welcome at the meeting on Wednesday I will put it in my diary and look to contact [REDACTED] to check his availability.
