Hi [REDACTED]

Looking to establish a potential recommended capacity for our application. Before I head over with a good old measuring wheel, I wanted to make sure you didn't have the attached information on file?

- Width x Length of Gross Surface incl. concrete run-offs
- Width x Length of Grass Surface excl. concrete run-offs
- Width x Length of concrete run-offs (N, S, W & E > e.g. circumnavigating concrete)

Best,  
[REDACTED]
