Hi [REDACTED]

Thanks for this. I think the decision to delay the Fan Zone implementation until next season is a wise one. Following initial discussions with [REDACTED] [REDACTED] the original timescales were clearly a bit too optimistic.

I will pass this info on to [REDACTED] [REDACTED] in order to keep him up to speed on where we are at. [REDACTED] works for GCC so isn't someone I necessarily speak with on a regular basis so it's probably best that your solicitors keep her abreast of plans should application dates and event dates have changed since the original applications.

Please see attached a letter confirming that Glasgow Sport are happy to host the Fan Zone pending further details being received and a price confirmed between both parties.

Feel free to get back in touch should you need to visit the facility at any time again or if I can be of any further assistance.

Regards

Subject: RFC Fan Zone @ Ibrox Football Centre

Hi [REDACTED]

Thank you for your time this morning, appreciated.

As you are aware, we will not be running the proposed Fan Zone at the Ibrox Football Centre for the final four matches of the current season. This decision was taken due to the tight turnaround required for license (PEL & Alcohol) approval.

With this in mind, I wanted to put in writing and confirm our plan to host the 4 x match pilot Fan Zone at the Ibrox Football Centre for the start of next season subject to approval of our application(s). On [REDACTED] recommendation, we have involved solicitors to aid fulfilment of this and will be engaging the necessary stakeholders in the coming weeks before submitting the formal license applications.

I'd like to stress here that the alcohol license application is ancillary to the PEL so regardless of the outcome of this application, we will look to progress with a public entertainment licensed space as originally planned.

As discussed, conscious we never received written confirmation from your team that the use of this space was approved – it would be great to have something in writing that communicates this? Subject to all necessary documentation (licenses, supplier information etc.) being provided by ourselves of course.

Dates for the new season are not available yet but as soon as I have sight of these I will circulate.

Let me know if you want me to reach out to [REDACTED] [REDACTED] [REDACTED] and [REDACTED] direct or if you will pass this note on to them on our behalf. As ever, happy to catch up in person and give you a full debrief of where we are with everything?

Best,

[REDACTED]
