LICENSING OBJECTIVES

We are of the view that the following control measures will assist in making sure that the licensing objectives are upheld:

Preventing crime and disorder

1. SIA accredited stewards will be utilised so to supervise access / egress points as well as queues.
2. Plastic cups or PET bottles will be utilised.
3. Four drink maximum will be imposed.
4. CCTV will cover the premises.
5. Only ticket holders will be admitted to the premises.
6. All incidents will be logged and police notified as appropriate
7. Limited drinks offer, i.e. wines and beers with no sprits.
8. Police will be informed of any relevant issues asap.
9. Key staff and stewards will be radio linked.
10. Seating will be provided.
11. Stewarding plan to be in place.

Securing public safety

1. Plastic cups or PET bottles will be utilised.
2. Appropriate risk assessments will be carried out.
3. All staff shall be trained specifically in respect of the job they are employed to carry out and specifically in respect of licensing, crowd control, public safety and conflict management.
4. An event specific briefing will be delivered.
5. The premises capacity will be monitored by stewards and the licensed capacity will be complied with.
6. SIA accredited stewards will be utilised and will receive a bespoke briefing (key points noted in relevant section below).
7. Edmiston Drive will be closed prior to and post match so to allow pedestrian access to the Fanzone.
8. CCTV will cover the premises and be monitored from the match control room.
9. The Fanzone will operate in conjunction with the overarching match day plan so that any issues developing will be accessed in the context of both the stadium and Fanzone.
10. Trained first aiders are located within the premises.
11. A PA system will be in operation to relay safety and security messages to patrons. When being used for such purposes the operator will be linked to the Stadium's control room by radio.

Protecting children and young persons from harm

1. Bar queues will be supervised by stewards and no person under 18 will be admitted to the queue; therefore in practice there will be two points where a person under 25 will be asked for identification: (1) on joining the queue; and (2) attempting to buy an alcoholic drink.
2. A Challenge 25 policy will be in place.
3. A refusal book will be in operation.
4. Children and young persons will require to be accompanied by an adult at all times.
5. Each member of staff will sign a specific Challenge 25 undertaking.
6. Designated Sports Activity Area where no alcohol will be permitted. This area will be clearly delineated with stewards supervising entry and egress. Staff with safeguarding training will be on patrol within this area.
7. Use of staff in the Sports Activity Area who are PVG checked and have undertaken an appropriate training course.
8. Access to toilets within Sports Activity Area.

Preventing public nuisance

1. The licensed area will be enclosed by way of a perimeter fence and all access / egress points will be supervised.
2. There is an overarching management plan relating to the wider footprint of the stadium so to reduce nuisance to local residents.
3. No amplified music without licensed hours.
4. Litter bins will be sited throughout the premises and there will be litter patrols.

Protecting and improving health

1. A water station will be set up so to allow patrons access to drinking water.
2. Responsible drinking signage will be in place.
3. Limited drinks offer, i.e. wines and beers with no spirits.
4. Alcohol will be priced at a premium level.
5. Four drink maximum.

QUEUING SYSTEM

It is envisaged that the bar will have four lanes with a single point of access. This single point of access will be monitored by a steward who will carry out Challenge 25 and sobriety checks. Customers will then separate out into four lanes. At the end of the four lanes a steward will manage the emerging customers so that the queue at the bar is never more than two deep so to keep the pressure off the bar staff.

The use of the steward at the point of entry means that there will be two points where a customer's age and sobriety will be assessed.

It is envisaged that there will be 10 bar staff with a bar supervisor. The 10 bar staff will be divided as follows: 5 at till and 5 serving.

REFUSALS LOG

A refusal log for the recording of any refusal information must be held at each bar for inspection by Police Scotland or an LSO visiting the venue. The refusal log should detail the date, time, reason for the refusal of service of alcohol on that occasion. Any refusals should be passed to Denise immediately.

CHALLENGE 25 GUIDELINES

With effect from 1st October 2011, the Licensing (Scotland) Act 2005 was amended to include the introduction of a new mandatory condition for all premises licences and occasional licences. This states that there must be an age verification policy in relation to the sale of alcohol on the premises. The law has set a minimum age of 25 years for the policy where it appears to the person selling the alcohol that the customer may be under the age of 25 years.

ACTIONS PRIOR TO EVENT

In order to assist Police Scotland and Licensing Standards with inspections we will provide in advance copies of the following in relation to all staff working at the event:

- Copies of Personal Licences to be sent to [REDACTED] of Police and [REDACTED] of Licensing Standards; and
- Copies of training records to be sent to [REDACTED] of Police and [REDACTED] of Licensing Standard.

Copies of the above will be held in a central location within the premises.

Access will be offered to Licensing Police and Licensing Standards ahead of the event to carry out inspections if that would assist them.

Only the production of proof of age documents specified by law will satisfy the purpose of the age verification policy, these are:

- A valid passport
- A European Union photocard driving licence
- A Ministry of Defence Form 90 (Defence Identity Card)
- A photographic identity card bearing the national Proof of Age Standards Scheme (PASS) hologram

- A national identity card issued by a European Union member state (other than the United Kingdom), Norway, Iceland, Liechtenstein or Switzerland
- A Biometric Immigration Document

STAFF QUIZ

Prior to selling alcohol all staff must achieve 100%

- Who is the holder of the occasional licence?
- Name a personal licence holder?
- What do you do if you suspect someone to be drunk?
- What products are we selling in the bar today?
- How many drinks are allowed to be purchased per person?
- When do the bars open?
- What if someone wants to buy a drink before bars open?
- What do you do if you suspect some to be underage?
- Can an 18 year old buy drink?
- When do the bars close?
- What do you do if you have a difficult customer?

STEWARDSHIP PROVISION

The following is the proposed stewardship provision:

- a. Two (2) x at point of ingress/egress
- b. Two (2) x bar queue management
- c. Four (4) x roaming stewards
- d. Three (3) x stewards manning unlocked emergency exits

Subject to weather, football etc. this can be increased/decreased as required with the assessment being carried out by the Match day Safety Officer, CCTV Operator, Event Management, Fan Zone Safety Officer and Supporting Stewards.

However, we have identified the following triggers irrespective of the on-going assessment:

- 0-1,500: 11 x stewards deployed
- 1,500+: 2 x additional stewards deployed totalling 13

These additional stewards come from the surplus of stewarding staff (circa 40) that are on standby for all matches at Ibrox.

STEWARDSHIP BRIEFING INFORMATION

In addition to the staff briefing information the licensed Garrison stewards will be briefed on the following points:

1. Ensure that queuing for the bar is done in an orderly and controlled manner.

2. Check that valid identification is shown by any clientele appearing to be under the age of 25, in line with the Challenge 25 programme prior to being allowed to join a queue for the bar.
3. Carry out all instructions given by event management, Safety Officer or Police Officer in relation to the security and safety.
4. Liaise with managers before, during, and after an incident. The incident book must be completed.
5. Assist in dealing with incidents of rowdiness within the area.
6. Report to event management incidents of excessive alcohol consumption and behaviour that may require further action or possible ejection.
7. Ensure that no persons under the age of 18 years are admitted unless accompanied by a person over the age of 21 years.
8. Carry out ejections for failure to comply with safety or security instructions or any other incidents as instructed by an area manager. This must be logged, and under no circumstances must anyone be ejected without their agreement, or that of event management, Safety Officer or Police Officer.
9. Report to event management any damage or defect which is likely to pose a threat to visitor safety.
10. Ensure that evacuation routes are kept clear.
11. Be fully conversant with any methods or signals used to alert staff that an emergency has arisen.
12. Comply promptly with any instruction given in an emergency by the Safety Officer or Police Officer.
13. Assist as required in the evacuation should the need arise.

Dear Sir/Madam

Objection: Temporary public entertainment licence – Ref no. PEL 000739
Applicant: The Rangers Football Club Limited
Type: Fanzone

I write to object to the application for a Fanzone at Ibrox Community Complex. I would comment as follows, –

- This complex belongs to community and was given to them as a Trust.
- I feel that replacing the healthy activity of children's football with alcohol and fast-food is not conducive to our community
- The pitches have a life span of 8 to 10 years then require to be replaced, the pitch would be destroyed with thousands of fans on the pitch at the same time.
- I don't believe that the community pitch should be utilised by a large multi millionaire club at the expenses of our children's health, fitness and social well-being.
- Due to the nature of these applications I believe local businesses are ill informed.
- I feel local businesses would suffer if this application and others that are in the pipeline were to go ahead.

I trust the aforementioned will take into consideration.

Yours sincerely

Dear Sir/Madam,

RE: PEL00740 – Application for a Temporary Public Entertainment License

We recently received correspondence regarding the above Entertainment License along with application PEL00739. With regards to this the Community Council would like to lodge an objection to the proposed application.

Following our recent monthly Community Council meeting on Wednesday 18th July 2018, our residents expressed similar concerns mentioned in our previous objection letter for PEL00730. Both Glasgow Life and RFC were in attendance at this meeting to discuss the proposals in more detail. After deliberation the majority of the community council have voted to object to the application PEL00739 and PEL00740. The main reasons for their concerns are similar to the previous objection letter:

- The venue, Ibrox Football Centre, 80 Hinshelwood Road, G51 2XP, is a community resource. Should the application be approved, essentially this resource will be taken away from the community on the dates proposed in this application. This will mean local residents, football teams and regular users of the facility will in fact not be able to use it on proposed dates. The venue itself is a community asset owned by a local community trust for use by the community.
Should the application go forward, it will set a precedent for many more of these events to be held at this location. Essentially every time there is a home match at Rangers FC, there will be a fan zone in place, again taking this vital community resource out of the community. Since this original application has been received we have had another 3 applications PEL00735, PEL00739 and PEL00740 leading into only August 2018. If the 'Fan Zone' proposal goes ahead what affect will this have on the actual venue itself? Surely 2,000 people each match day will not be good for the pitches were the 'Fan Zone' will be located. These will certainly be damaged by this amount of proposed footfall.
