Hi [REDACTED]

Hope you both had good weekends.

The occasional licence for the above event was granted by the Licensing Board on Friday. As a result of this the layout plan for the TPEL application requires to be tweaked further to discussions with Police and Licensing Standards. There is no change to the location or size of the event itself instead the changes relate to placement of

toilets, seating, and delineation to form a sports activity area that houses the inflatables that have been declared on the application form.

Are you happy for to circulate this to the relevant parties with you cc'd in? Let me know what works best for you.

Kind regards

Rangers FC Match Day Fanzone Proposals at Ibrox Football Centre

I refer to our ongoing discussion regarding the proposed use of Ibrox Football Centre as the location for RFC Match Day Fan Zone events.

Pending the necessary licenses being approved by GCC and G/Sport being in receipt of the Operations Plan along with the necessary RAMS, Glasgow Sport are happy to accommodate and host your booking request.

Once further details are confirmed with regards to access times for set-up and departure times following derig, a cost per match day for exclusive use of the facility will be provided to RFC for their consideration and agreement.

We look forward to working with RFC in preparation for season 2018/19 and what is sure to be an exciting and successful addition to the match day experience for not only RFC fans but for the whole community.

Regards
