

Parkview Primary

School Handbook

Session 2023 - 2024

Parkview Primary School Handbook

Welcome to Parkview Primary School

Head Teacher's Welcome

On behalf of the children, families, and staff of Parkview Primary School, I extend a very warm welcome to all families and visitors to our school.

Parkview Primary is located in Summerston within the North West of Glasgow. We are incredibly proud of our wide-reaching catchment, supporting the children and families of Summerston, Maryhill, and Acre.

At Parkview we value the genuine contribution from the school community, fostering an ethos of ambition, well-being, and inclusion.

We are always **Ready** to Learn, **Respectful** to ourselves and others, and **Safe** at all times.

We work in partnership with parents and families, sharing the responsibility for providing more choices and more chances for all our young people. At Parkview Primary, we are proud of the learning experiences offered to our pupils, helping them develop into successful learners, confident individuals, effective contributors, and responsible citizens.

We value strong and nurturing relationships within the school community which are lived through the shared values of:

Kindness – Fairness – Inclusiveness – Honesty – Respect

We look forward to welcoming you and your child(ren) to our wonderful school community, where your child will thrive and flourish through ambition, challenge, and support.

Best wishes,

Steve Philson

Head Teacher

School Vision & Values

In Parkview Primary School we will provide a welcoming and friendly environment, which celebrates the diversity of our community.

We are a nurturing school where everyone feels safe, happy and valued and all children are supported to reach their full potential. This is achieved through working together with children, their families and the community, based on a shared sense of direction.

Values:

- Kindness
- Fairness
- Inclusiveness
- Honesty
- Respect

School Information

You can cut out the following information and have it on your fridge, purse or work desk etc. for ease of finding the numbers required.

Contact Details:

Parkview Primary
19 Rothes Drive
Glasgow
G23 5PZ
Phone: 0141 246 4622
Email: headteacher@glasgow-pri.glasgow.sch.uk
www.glasgow-pri.glasgow.sch.uk

Background information:

- Co-educational school
- Non-denominational
- Stages taught: P1-P7
- Current Roll: 158
- Capacity: 374

School staff

A full list is available on the school website/school app and parents will be updated on any changes as required.

The leadership team is as follows:

Head Teacher:	Steve Philson
Depute Head Teacher:	Michelle Watt
Principal Teacher:	Robert Stewart

Enrolment

Registration of Primary 1 children takes place in November and is advertised widely in local press etc. Prospective parents are welcome to visit the school and should contact the school office. Enrol is now conducted online – see the link below.

Families living out-with the catchment area are welcome to make a placing request to attend Parkview Primary School but must enrol their child online as a first step. Further information is available using the following link:

<https://www.glasgow.gov.uk/index.aspx?articleid=18426>

Organisation of Classes

The following guidelines set by Scottish Government apply.

P1	maximum 25
P2&3	maximum 30
P4-7	maximum 33
Composite classes	maximum 25

Composite classes have pupils from more than one stage.

The School Day

Morning	09.00 - 10.30
Interval	10.30 - 10.45
	10.45 - 12.15
Lunch	12.15 - 13.00
Afternoon	13.00 - 15.00

P1 children will remain in school until 15.00 from the first day of term.

School Term Dates

Details of school term dates are available on the Glasgow City Council website:
<https://www.glasgow.gov.uk/index.aspx?articleid=17024>

Pupil Absence

Within Parkview Primary School good attendance is encouraged at all times and children rewarded accordingly. Parents are asked to advise if their son or daughter is going to be absent. This should be done as early as possible on the first day of absence. If the young person is going to be absent for some time, it would be helpful to know at the earliest opportunity. The school uses daily text messaging to inform parents and carers of absence if no contact is made. All unexplained absences are investigated by the school and appropriate action taken. All calls must be made to the Pupil Absence Reporting Line on 0141 287 0039. The line is open between 08.00-15.30 Monday to Friday. Alternatively, you can use the online form on the Glasgow City Council website:

<https://www.glasgow.gov.uk/index.aspx?articleid=18832>

Medical & Healthcare

The school health team visits at various times during the year for routine health checks, vaccinations and medical examinations. Parents are kept informed by letter.

If a child becomes ill during the course of the school day, he/she may require to be sent home. Please ensure that you keep the school informed of all contact details.

Parents should inform the school of any medical requirements relating to their child. If a child requires medication during the school day, parents must complete the appropriate medical form. This is available on request from the school office.

Emergencies

We make every effort to maintain a full educational service, but on some occasions, circumstances arise which lead to disruption. Schools may be affected by, for example, severe weather, temporary interruption of transport, power failures or difficulties of fuel supply.

In such cases, we shall do all we can to let you know about the details of our closure or re-opening by using letters, texts and the local media etc.

School Uniform

The school uniform is:

- Light-blue shirt or t-shirt
- School tie
- Dark-blue/ navy trousers
- Dark-blue/ navy skirt

Our uniform was agreed in consultation with pupils and parents. It is expected that all children attending Parkview Primary School will adhere to this dress code. Please note, school branded items are not necessary, nor a requirement.

PE Kit

It is important that pupils come prepared to learn and for PE this requires appropriate clothing. All jewellery should be removed. Pupils who are not participating in PE must have a note or a medical certificate. Pupils who are unable to participate in practical PE should still bring their kit to allow them to assist in the lesson by refereeing, keeping scores or assisting with the distribution of equipment. This ensures that they are still able to take part in some way in the work of the class and do not miss out on the knowledge and understanding of the course.

There are forms of dress that are unacceptable in school, such as items of clothing which:

- Potentially encourage factions (such as football colours)
- Could cause offence (such as anti-religious symbolism or political slogans)
- Could cause health and safety difficulties (such as loose-fitting clothing, jewellery)
- Could cause damage to flooring
- Carry advertising particularly for alcohol or tobacco
- Could be used to inflict damage on other pupils

Clothing & Footwear Grants

Parents/Carers receiving Income Support, Job Seekers Allowance (Income Based), Working Tax Credit (check link below for thresholds), Housing Benefit, Council Tax Benefit or Universal Credit (check link below for thresholds) will normally be entitled to monetary grants for footwear and clothing for their children. Information and application forms may be obtained from schools and at:

<https://www.glasgow.gov.uk/index.aspx?articleid=17885>

School meals

Our school provides a lunch service which offers a variety of meals and snacks. Medical diets for children can be provided.

Children who prefer to bring packed lunches will be accommodated in a suitable area.

All children in P1-5 are entitled to a free school meal. However, this does not entitle them to a free breakfast. To receive a free breakfast, you must meet the criteria below and apply accordingly.

If you plan to send your child/children to breakfast club, you should inform the staff of any medical dietary requirements.

Children and young people of parents/carers receiving Income Support, income-based Job Seekers Allowance, Working Tax Credit (check link below for thresholds), Child Tax Credit only (check link below for thresholds), Universal Credit (check link below for thresholds) and income-related Employment and Support Allowance are

entitled to a free midday meal. Information and application forms for free school meals may be obtained at:

<https://www.glasgow.gov.uk/index.aspx?articleid=17885>

Transport

The education authority has a policy of providing free transport to all pupils who live out-with a certain radius from their local school by the recognised shortest walking route. This means that the provision of transport could be reviewed at any time. Parents/Carers who consider they are eligible can apply online at:

<https://www.glasgow.gov.uk/index.aspx?articleid=17882>

Transfer from Primary to Secondary School

Children and young people normally transfer between the ages of 11 ½ and 12 ½, so that they will have the opportunity to complete at least 4 years of secondary education. Parents and carers will be informed of the school arrangements no later than December of P7. Children from our school normally transfer to:

Cleveden Secondary School

42 Cleveden Road

Glasgow

G12 0JW

Phone: 0141 582 0060

Email: headteacher@glasgow-sec.glasgow.sch.uk

www.glasgow-sec.glasgow.sch.uk

Cleveden Secondary School staff work with our pupils from Primary 6 onward to prepare them for the transfer to secondary school.

Communication with Parents

At Parkview Primary School we use a variety of ways to keep in touch.

Open Door Policy – the senior leadership team are available for all parents and carers at any time providing they are not teaching or in another meeting. Please either pop in to the school office or phone for an appointment.

Seesaw – will let parents know what homework has been set and is also used to communicate between the class teacher and parents. Codes can be gain from contacting the school office

Newsletters – will be sent out on a regular basis to keep parents informed about the work of the school.

Letters – further information which requires a response may be sent out in letter form.

School website/Twitter/App – will contain a great deal of information about the school. It is a good idea to check this regularly.

Text messaging – You may also receive text reminders about events/school closures etc.

Meetings - Parents and carers are welcome in the school to discuss any aspect of their child's development and progress. To avoid disappointment, it is advisable to make an appointment. There are various opportunities throughout the year when parents can discuss their child's progress with the class teacher and view the child's work.

Parents and carers are welcome at other events throughout the school year e.g. workshops, information evenings, class performances, religious and other assemblies. The school newsletter and website will keep you informed.

Emergency Contact Information

At the start of each school session, parents will be issued with the annual data check form. Please ensure that this is completed and returned to the school. It is also important that you let us know if there are changes to your telephone number(s) or to those of your emergency contacts throughout the year.

Data Protection – use of information about children and parents/carers

We collect information about children attending school (and also about parents/carers, emergency contacts etc. provided in the annual data check) to allow us to carry out the Council's functions as the education authority for the City of Glasgow. This may sometimes involve releasing personal information to other agencies and other parts of the Council, particularly in relation to child protection issues or criminal investigations, and it may also be used for research purposes (see the link below for more details regarding this).

Information held by the school is, in legal terms, processed by Glasgow City Council. The Council is registered as a data controller under the Data Protection Act 2018 and all personal data is treated as confidential and used only in accordance with the Data Protection Act, the General Data Protection Regulations, and the Information Use and Privacy Policy approved by the City Council. For more information on how we use personal information, or to see a copy of the Information Use and Privacy Policy, see <https://www.glasgow.gov.uk/index.aspx?articleid=18010> .

Education specific privacy statements can be accessed at <https://www.glasgow.gov.uk/index.aspx?articleid=22069> .

Appointments during school hours

If your child has an unavoidable appointment, please give them a letter for their class teacher and then collect them from the school office at the specified time.

Comments & Complaints

In Parkview Primary School we aim to have positive relationships across our school community. However, if you have a comment or complaint about any aspect of school life, please contact the Headteacher in the first instance.

Glasgow City Council complaints procedures are available :

<https://www.glasgow.gov.uk/index.aspx?articleid=16133>

Curriculum

Curriculum for Excellence 3-18

Curriculum for Excellence has been introduced to raise standards of learning and teaching for all 3-to-18-year olds. It aims to help prepare children and young people with the knowledge and skills they need in a fast-changing world. As part of Curriculum for Excellence all children from pre-school to the end of S3 will receive a rounded education known as a Broad General Education (BGE). Curriculum for Excellence is all about bringing real life into the classroom and taking lessons beyond it.

Through the experiences we provide at Parkview Primary School we want our children to become Successful Learners, Confident Individuals, Responsible Citizens and Effective Contributors. We are committed to providing children with a broad general education and focus on eight curriculum areas.

Expressive Arts	Health & Wellbeing	Languages	Mathematics
Religious & Moral	Sciences	Social Studies	Technologies

Progress in learning is indicated through curriculum levels as detailed below.

Level	Stage
Early	The pre-school years and P1 or later
First	To the end of P4, but earlier or later for some
Second	To the end of P7, but earlier or later for some
Third & Fourth	S1-S3, but earlier for some

Expressive arts: The inspiration and power of the arts play a vital role in enabling our children and young people to enhance their creative talent and develop their artistic skills.

Health and wellbeing: Learning in health and wellbeing ensures that children and young people develop the knowledge, understanding and skills which they need now and in the future to help them with their physical, emotional and social wellbeing.

Science: Science and its practical application in healthcare and industry is central to our economic future, for our health and wellbeing as individuals and as a society.

Social Studies: Through social studies, children and young people develop their understanding of the world by learning about other people and places both past and present, societies, their beliefs and values.

Religious and moral education: Religious and moral education includes learning about Christianity, Islam and other world religions, and supports the development of beliefs and values.

Languages: Knowing other languages and understanding other cultures is a 21st century skill set for students as they prepare to live and work in a global society.

Mathematics: Mathematics equips us with the skills we need to interpret and analyse information, simplify and solve problems, assess risk and make informed decisions.

Technologies: The range of subjects in technical education has changed significantly over the last two decades and now includes craft, design, engineering and graphics.

There will be opportunities throughout the year for parents and carers to learn more about aspects of the curriculum and to be consulted about significant changes if appropriate.

Useful websites

Education Scotland www.education.gov.scot

National Parent Forum of Scotland www.npfs.org.uk

Parentzone <https://education.gov.scot/parentzone/>

Connect <https://connect.scot/>

Religious Observance

Our school is fortunate to have a close link with the local church. Rev'd Stuart Matthews, supported by Deacon Jim Hamilton, assists with the Christianity element of Religious and Moral Education and provides opportunities for religious observance. Parents have the right to withdraw their child from religious observance and should inform the school in writing.

In addition, parents and carers from religions other than Christianity may request that their children may be permitted to be absent from school in order to celebrate recognised religious events. Only written requests detailing the proposed arrangements will be considered. Appropriate requests will be granted on up to 3 occasions in any 1 school session.

Assessment & Reporting

All children are assessed both formally and informally throughout the year. This allows children and their teachers to identify their strengths and areas for improvement. A variety of assessment methods are used to enable staff to pass on information to parents about the progress of their child. Assessment records are kept by the class teacher and form the basis of discussion at Parents' Evenings in November and March. An annual report is sent to parents towards the end of each school year. Assessment is an essential part of how teachers know what progress is being made. In every classroom, teachers are constantly engaging pupils in "learning conversations" to obtain evidence of how much and how well children are learning. Pupils at Parkview Primary School are assessed by what they say, make, write and do. If you have any concerns about your child's progress do not hesitate to contact the school.

Pupil Profiles/Reports

Every child leaving primary school in Scotland has their key achievements in school, at home and in the community documented within a P7 profile. The content of the profile is decided by the young person. The profile is a positive record of their achievements and emphasises their strengths. The profile provides a valuable way for learners to share valuable information about their achievements with their parents and teachers in secondary school.

Support for Pupils

The school has a duty to ensure that all pupils have equal access to the curriculum, with appropriate support for their needs if required. This applies to the content of lessons, teaching strategies and minor adaptations to the school environment. There are a wide range of factors which may act as a barrier to learning. We are committed to working closely with parents and carers to ensure that they are fully involved in any decisions about support for their children's needs.

Any parent or carer seeking further advice regarding this policy should contact the Headteacher in the first instance.

Further information relating to additional support needs is available on the Glasgow City Council website at <https://www.glasgow.gov.uk/index.aspx?articleid=18941>

Information on the Glasgow City Councils' Parental Involvement Strategy can also be found at <https://www.glasgow.gov.uk/index.aspx?articleid=17870>

Nurturing City

The Glasgow City Council vision 'towards the nurturing city', puts building positive, trusting relationships at the core of our work. We ensure children, young people and families feel they belong, they are listened to and they are valued by embedding the principles of nurture across our early years, primary and secondary establishments. Staff are trained in attachment and nurture which deepens understanding of child development and enhances effective practice by responding to the needs of all children and young people in a consistent and caring way. Nurture is a universal approach which builds resilience, helping to reduce the impact of adversity. Effective communication and collaboration with parents and carers builds an ethos of partnership working putting the child at the centre, fostering high quality learning contexts.

Each of our nurturing establishments contribute to the development of Glasgow as a nurturing city, creating safe environments which allow our children and young people to flourish by raising attainment and promoting positive mental health and wellbeing.

School Improvement

On an annual basis, you will receive a copy of our Standards and Quality report. Copies from previous years are available on the school website. The Standards and Quality report highlights progress in key curricular areas such as literacy, numeracy and health & wellbeing. Our priorities for improvement are detailed in our School Improvement Plan which is discussed with our Parent Council. Any parent or carer seeking a copy of the plan can contact the school office or check out our website.

Promoting Positive Behaviour

Children's Rights as outlined in the UNCRC (United Nations Convention on the Rights of the Child) are fundamental to a good school ethos. Adults in our school will work with children to ensure they are aware of their rights and fully respect the rights of others. Therefore, the approach within Parkview Primary School is to build a positive ethos that demonstrates care and respect for all. Positive behaviour is recognised and celebrated. Our school operates a system of class charters to set out expected behaviour. This is celebrated through Golden Time treats, awards at assemblies and certificates sent home to parents etc.

The highest standards of behaviour are expected of pupils at all times. Where this is not the case, a variety of sanctions are used. Parents are asked to co-operate with the school in encouraging a sense of responsibility and good behaviour in their children.

Promoting Positive Behaviour and Relationships Children's Rights as outlined in the UNCRC (United Nations Convention on the Rights of the Child) are fundamental to a positive school ethos. Adults in our school will work with children to ensure they are aware of their rights and fully respect the rights of others. Therefore, the approach within Parkview Primary School is to build an ethos that demonstrates care and respect for all. Positive behaviour is recognised and celebrated. Our school operates a system of Restorative Practice we hold relationships to the key to all

conflict resolution and children celebrate their successes through following our school aspirations, through our recognised Stars of the Week and through our class 'Recognition Boards' where children are acknowledged for demonstrating our school values. We also use 'Emotion Works' to support children's ability to discuss their feelings and emotions.

Generally highest standards of behaviours and kindness are expected of our pupils at all times. Where this is not the case, a variety of interventions and de-escalation techniques are used. Restorative conversations are used to repair relationships as well. Parents are asked to co-operate with the school in encouraging a sense of responsibility and good behaviour in their children.

If children require support in managing their emotions or in their behaviour, strategies are in place and we will work closely with parents to support children further. Our aim is also to encourage and develop self-discipline in each of our pupils and thus foster a responsible attitude towards others, the school environment and the wider community. We encourage responsibility and ownership around the school. We also value the support of parents and carers in ensuring best behaviour from all our pupils. If undesirable behaviours persist after the child is given support and parents have been informed, parents will be invited in for a meeting. The next step will be for the Senior Leadership Team to meet with the parent, child and the class teacher to agree action plan for moving forward and then finally it will be agreed whether a system of reporting should be set up to monitor behaviour on a regular basis, i.e. home/school diary, weekly phone call or scheduled fortnightly meetings for example. Each child is an individual and therefore the assessment and next steps to correct wrong choices and behaviours will be looked at holistically.

Child Protection

All educational establishments and services must take positive steps to help children protect themselves by ensuring that programmes of health and personal safety are central to the curriculum and should have in place a curriculum that ensures that children have a clear understanding of the difference between appropriate and inappropriate behaviour on the part of another person, no matter who.

As with other areas of the curriculum, you will be kept informed of the health and wellbeing programme for your child's establishment.

Educational establishments and services must create and maintain a positive ethos and climate which actively promotes child welfare and a safe environment by:

- ensuring that children are respected and listened to;
- ensuring that programmes of health and wellbeing are central to the curriculum;
- ensuring that staff are aware of child protection issues and procedures;
- establishing and maintaining close working relationships and arrangements with all other agencies to make sure that professionals collaborate effectively in protecting children.

The name of the Child Protection Coordinator is **Steve Philson, Head Teacher**. The Depute Child Protection Coordinator is Michelle Watt, Depute Head Teacher.

Home Learning

Continuing to learn at home helps children to achieve more and is a vital part of our partnership with parents. Please check your child's schoolbag for communication about home learning and specific tasks.

Parent Council

We have an active Parent Council that represents the views of all parents. All parents are welcome to attend Parent Council meetings and can become members at the AGM in September. Parent Council minutes are available on the Parent Council page of the school website/school app and on request from the school office.

Pupil Council

Our Pupil Council is made up of 2 representatives from each year group. This is an important group which ensures that the views of pupils are heard.

Extra Curricular Activities

We have a wide range of activities that run between Monday – Thursday to extend the learning experience. These currently include drama, arts and crafts, dance, netball and football. Please check your child's schoolbag for information as places are popular and usually limited.

Good links with community organisations and our Active Schools Co-ordinator are vital for the success of these programmes.

Finally thank you for your patience in reading all about our school. Any questions please do not hesitate to get in touch.

Kindest Regards,

Steve Philson (Head Teacher)

Useful Contacts

Parentzone Scotland is a unique website for parents and carers in Scotland, from early years to beyond school. The website provides up-to-date information about learning in Scotland, and practical advice and ideas to support children's learning at home in literacy, numeracy, health and wellbeing and science. Information is also available on Parentzone Scotland regarding additional support needs, how parents can get involved in their child's school and education. Furthermore, the website has details about schools including performance data for school leavers from S4-S6; and links to the national, and local authority and school level data on the achievement of Curriculum for Excellence levels. Parentzone Scotland can be accessed at <https://education.gov.scot/parentzone>.
