The revised work pattern is a '4on /4off single shift pattern (15:00 – 03:00).</p> <p>We recognise that change can be very unsettling for employees, and we are committed to the following people principles:</p> <p>We will consult with employees through the recognised Trade Unions.</p> <p>We will share information to provide employees with an awareness of why change needs to happen, the knowledge of what is proposed, and an opportunity to ask questions, seek clarification and provide counter proposals for us to consider.</p> <p>We will follow a consistent framework for people change across NRS.</p> <p>We will consult with a view to reaching agreement. 			<p>All roles in the proposed structure will be reviewed against current roles to identify - based on person specifications and role profile - whether or not roles are broadly similar. Where roles are believed to be broadly similar, this will be treated as re-designation.</p> <p>Employees in roles that have minor changes will remain in their current role and will be provided with a revised person specification.</p> <p>Employees in roles which are being reduced or deleted because of the changes will have the opportunity to apply for any vacancies created as a result of the changes.</p> <p>Recruitment for new roles created as part of the change will be restricted initially to those whose posts have been deleted.</p> <p>ER/VR will be considered for individuals where their post is deleted, or is part of a planned reduction, and there is no suitable alternative role for them. ER/VR will not be considered for employees who have been re-designated to a new role that is considered a reasonable suitable alternative, i.e., has broadly the same responsibility. ER/VR will be discussed during individual consultations and the final decision will be considered by the NRS Workforce Planning Group.</p>
e) Change employees' working hours?		X	<p>The existing shift patterns will change from 4on/4off' shift pattern, alternating between 4 days early shift (07:00 to 19:00) and 4 days backshift (19:00 to 07:00) to work a 4on/4off single shift pattern (15:00 – 03:00).</p>
