## **Moving from Primary to Bannerman High School**

We recognise that the move from primary to secondary is a very important event for young people. We have a close and effective partnership with each of our 6 partner primary schools: Caledonia Primary; Carmyle Primary; Garrowhill Primary, Mount Vernon Primary, Sandaig Primary and Swinton Primary. This ensures that the move from primary to secondary is as smooth as possible for young people.

We welcome families from outwith our area. Families living outwith the school catchment area are welcome to make a placing request to attend Bannerman High School. Prospective parents are welcome to visit the school and should contact the school office.

## School Holidays 2020-2021

Details of holiday dates are available on the Glasgow City Council website:  
<https://www.glasgow.gov.uk/index.aspx?articleid=17024>

### Pupil Absence

Within Bannerman School excellent attendance is encouraged at all times to ensure pupil success. Parents are asked to advise if their son or daughter is going to be absent, including all medical and dental appointments. This should be done as early as possible on the first day of absence. If the young person is going to be absent for some time, it would be helpful to know at the earliest opportunity. The school uses daily text messaging to inform parents and carers of a young person's absence if no contact is made. All unexplained absence is investigated by the school and appropriate action taken. Parents should also avoid planning holidays during the school term.

**All absence calls, including medical and dental appointments must be made to the Pupil Absence Reporting Line on 0141 287 0039.** The line is open between 08.00-15.30 Monday to Friday. Absences can also be reported online using the form at <https://www.glasgow.gov.uk/pupilabsence>

### Medical & Healthcare

If a young person becomes ill or distressed during the course of the school day, he/she may require to be sent home. Please ensure that you keep the school informed of all contact details. Any pupils unwell in school should inform their teacher and, if necessary, the school will contact parents. On no account should any young person go home without first reporting to the school office.

Parents and carers should inform the school of any medical requirements relating to their child. If a young person requires medication during the school day, parents must complete the appropriate medical form. This is available on request from the school office.

At various times during the year vaccination programmes are undertaken in school. Parents and carers are kept informed by letter.

### Emergencies

We make every effort to maintain a full educational service, but on some occasions circumstances arise which lead to disruption. Schools may be affected by, for example, severe weather, temporary interruption of transport, power failures or difficulties of fuel supply.

In such cases, we shall do all we can to let you know about the details of our closure or re-opening by using letters, texts, email and the local media.

## School Uniform

Our school uniform promotes a real sense of school identity, shared values, self-confidence and a shared sense of community. The uniform is actively supported by our pupils, parents and the Parent Council and is of great benefit to our young people. **All young people are expected to wear full school uniform every day.**

The school uniform is:

- School blazer
- White shirt
- School tie
- Black school trousers or skirt
- Black jumper or cardigan
- Appropriate school footwear

The school tie is available from the school office and the blazer supplier visits the school on an annual basis. The school office can advise on how to obtain a blazer outwith this time.

## PE Kit

It is important that pupils come prepared to learn and for PE this requires appropriate clothing: trainers, black leggings or shorts, white t-shirt. All jewellery should be removed. Pupils who are not participating in PE must have a note or a medical certificate. Pupils who are unable to participate in practical PE should still bring their kit to allow them to assist in the lesson by refereeing, keeping scores or assisting with the distribution of equipment. This ensures that they are still able to take part in some way in the work of the class and do not miss out on the knowledge and understanding of the course. Pupils who forget kit will be expected to wear kit supplied by the PE department.

There are forms of dress that are unacceptable in school, such as items of clothing which:

- Potentially encourage factions (such as football colours)
- Could cause offence (such as anti-religious symbolism or political slogans)
- Could cause health and safety difficulties (such as loose fitting clothing, jewellery)
- Could cause damage to flooring
- Carry advertising particularly for alcohol or tobacco
- Could be used to inflict damage on other pupils

### **Clothing & Footwear Grants**

Parents/Carers receiving Income Support, Job Seekers Allowance (Income Based), Working Tax Credit, Housing Benefit, or Council Tax Benefit will normally be entitled to monetary grants for footwear and clothing for their children. Information and application forms may be obtained from schools and at <https://www.glasgow.gov.uk/index.aspx?articleid=17885>

### **School Meals**

Our school provides a lunch service which offers a variety of meals and snacks within The Fuel Zone. A breakfast and mid-morning service is also available within The Fuel Zone. Special diets for children with medical requirements can be provided. Please inform the school office.

Young people who prefer to bring packed lunches are also accommodated in the Fuel Zone. S1 pupils are not permitted to leave the school during lunchtime.

Children and young people of parents/carers receiving Income Support, income-based Job Seekers Allowance, Working Tax Credit, Child Tax Credit and income-related Employment and Support Allowance are entitled to a free midday meal. Information and application forms for free school meals may be obtained from schools and at <https://www.glasgow.gov.uk/index.aspx?articleid=17885>

## Transport

The education authority has a policy of providing free transport to all young people who live outwith a certain radius from their local school by the recognised shortest walking route. This means that the provision of transport could be reviewed at any time. Parents/Carers who consider they are eligible should obtain an application form from the school or at

## Communication with Parents

At Bannerman High School we strongly encourage all parents to become involved in the education of their children. We are always ready to listen to suggestions for new ways of stimulating parental interest. We contact and involve parents in many ways. For example:

*Xpressions App*: All parents should download this app as it will soon become our main form of communication between school and home. Details of how to do this will be sent to you when your child starts Bannerman

*School website/Twitter* - will contain a great deal of information about the school. It is a good idea to check this regularly.

*Letters* - further information which requires a response may be sent out in letter form. On most occasions this will be sent as an email attachment. Please ensure the school has your up to date email address.

*Show My Homework*: All homework is issued through this app. You can download the app and access your child's homework via a PIN which you will receive when your child starts Bannerman. Alternatively you can see all homework through accessing *Show My Homework* on our school website.

*Text messaging* - Much of our communication is via text messaging. Please ensure you provide up to date numbers and inform us if your number changes.

*Meetings* - Parents and carers are welcome in the school to discuss any aspect of their child's development and progress. To avoid disappointment, it is advisable to make an appointment. On most occasions, it will not be possible to meet immediately with parents who do not have an appointment. There are various opportunities throughout the year when parents can discuss their child's progress with school staff.

Parents and carers are welcome at other events throughout the school year for example, workshops, information evenings, performances and award ceremonies.

We really value the time you are able to give to support your child in school and welcome all parents to all events.

If you wish at any point to discuss any aspect of your child's school experience, please contact your child's pastoral care teacher in the first instance.

### **Emergency Contact Information**

At the start of each school session, parents and carers will be issued with the annual data check form. Please ensure that this is completed and returned to the school. It is also important that you let us know if there are changes to your telephone number(s) or to those of your emergency contacts throughout the year.

### **Data Protection - use of information about children and young people and parents/carers**

We collect information about children and young people attending school (and also about parents/carers, emergency contacts etc. provided in the annual data check) to allow us to carry out the Council's functions as the education authority for the City of Glasgow. This may sometimes involve releasing personal information to other agencies and other parts of the Council, particularly in relation to child protection issues or criminal investigations, and it may also be used for research purposes (see the link below for more details regarding this).

Information held by the school is, in legal terms, processed by Glasgow City Council. The Council is registered as a data controller under the Data Protection Act 1998 (number Z4871657) and all personal data is treated as confidential and used only in accordance with the Data Protection Act and the Information Use and Privacy Policy approved by the City Council. For more information on how we use personal information, or to see a copy of the Information Use and Privacy Policy, see

## Our Curriculum

### **Curriculum for Excellence 3-18**

Curriculum for Excellence aims to help prepare children and young people with the knowledge and skills they need in a fast changing world. As part of Curriculum for Excellence, all children from pre-school to the end of S3 will receive a rounded education known as a Broad General Education (BGE). Curriculum for Excellence is about bringing real life into the classroom and taking lessons beyond it.

In line with their Curriculum for Excellence entitlement, pupils learn in all 8 curricular areas until the end of S3.

Expressive Arts	Health & Wellbeing	Languages	Mathematics
Religious & Moral	Sciences	Social Studies	Technologies

There is also a focus on developing literacy and numeracy skills across every subject area as well as Skills for Learning, Life and Work as young people prepare for their adult lives. In addition, learning takes place in the following ways:

- Inter-disciplinary experiences (working across a range of subjects to link learning)
- Learning through the ethos and life of the school
- Opportunities for personal achievement

Towards the end of S2, young people in Bannerman undertake personalisation and choice and select 8 subjects to study within the BGE throughout S3 and into S4. Pupils and parents/carers are given information about:

- The range of courses available
- How courses match young people's own aptitudes, interests and strengths
- The importance of individual subjects
- Entrance qualifications & career opportunities

In advising pupils about course choices, we adhere to national guidelines and ensure that pupil choices result in their best chance of success.

### The Senior Phase S4-S6

The Senior Phase offers opportunity for specialisation leading to qualifications. Young people aged 15 plus have a wide range of opportunities to experience learning and achieve qualifications to the highest possible level during their senior phase.

Qualifications are awarded by the Scottish Qualifications Agency (SQA). National 3 and 4 level courses are not graded but marked overall as pass or fail. They are assessed in school by teachers.

Courses at National 5, Higher and Advanced Higher levels include work assessed by the school but for these qualifications students will also have to pass an additional exam which will be marked externally by SQA.

The SQA website [www.sqa.org.uk/cfeforparents](http://www.sqa.org.uk/cfeforparents) contains useful information to help you understand national qualifications.

All young people in S3 and S4 have opportunities to learn through wider achievement courses.

## Courses available in S5 & S6

As an inclusive school, we aim to meet the needs of all pupils in S5 and S6. We have strong partnerships with local colleges, universities and employers. It is extremely important that senior students set challenging and realistic targets. To that end, we offer a rigorous pathways programme to support and inform student choice. Opportunities for personal development continue within and beyond the taught curriculum. S6 in particular offers senior pupils a range of opportunities to build leadership, communication and team working skills through involvement in a wide range of school and community events.

Encouraging excellence is central to our aspirations and expectations for all young people.

## Religious Observance

Our school is fortunate to have a close links with local churches and our chaplains provide opportunities for religious observance throughout the school year. Parents have the right to withdraw their child from religious observance and should inform the school in writing.

In addition, parents and carers from religions other than Christianity may request that their children may be permitted to be absent from school in order to celebrate recognised religious events. Only written requests detailing the proposed arrangements will be considered. Appropriate requests will be granted on up to 3 occasions in any 1 school session.

## Assessment & Reporting

All young people are assessed both formally and informally throughout the school year. This allows young people and their teachers to identify their strengths and areas for improvement. A variety of assessment methods are used to enable staff to pass on information to parents and carers about the progress of their child. Assessment records are kept by teachers and form the basis of discussion at parents' meetings throughout the year.

Dates of all parents' meetings and the schedule for issuing written reports is included in the school calendar which is issued at the start of term and is available on the website.

If you have any concerns about your child's progress do not hesitate to contact their pastoral care teacher at any time.

## Support for Pupils

The school has a duty to ensure that all pupils have equal access to the curriculum, with appropriate support for their needs if required. This applies to the content of lessons, teaching strategies and minor adaptations to the school environment. There are a wide range of factors which may act as a barrier to learning. We are committed to working closely with parents and carers to ensure that they are fully involved in any decisions about support for their children's needs.

Any parent or carer seeking further advice regarding this policy should contact Ms Kerr DHT in the first instance.

Further information relating to additional support needs is available on the Glasgow City Council website -

<https://www.glasgow.gov.uk/index.aspx?articleid=18941>

## **Pupil Support Staff**

All staff in Bannerman High School have a clear responsibility for the welfare of young people. In addition, all young people are allocated a Pastoral Care teacher on entering the school. This provides a vital link between home and school as the pastoral care teacher has an 'all-round' picture of a pupil's progress and general health and well-being. In most cases, a parent's first point of contact with the school will be the pastoral care teacher.

Other support for pupils is provided by class tutors during Tutor time and by the Support for Learning Team as required.

We are fully committed to meeting the needs of all pupils and hold regular meetings at which we plan for those who might benefit from additional support. Full discussion is held with parents and carers and outcomes are planned and agreed in partnership.

GIRFEC stands for 'Getting It Right For Every Child'. This is the Scottish Government-led approach to making sure that all our children and young people - and their parents or carers - can get help and support when needed from birth through to age 18 (or beyond if still in school).

The vast majority of Scotland's children and young people get the love and support they need from within their families and their wider, local communities. But even the most loving and caring families can sometimes need extra support. The GIRFEC approach aims to make it as easy as possible for any child or young person (and their parents) to get that help or support when they need it.

Pastoral Care teachers in the school have a responsibility to provide help and support when asked and can draw together other services if needed, co-ordinating help for the child or parents.

Please do not hesitate to contact the school if you want to speak with your child's Pastoral Care teacher.

## Promoting Positive Behaviour

Children's Rights as outlined in the UNCRC (United Nations Convention on the Rights of the Child) are fundamental to a good school ethos. Adults in our school will work with young people to ensure they are aware of their rights and fully respect the rights of others. Therefore, the approach within Bannerman High School is to build a positive ethos that demonstrates care and respect for all.

The smooth running of Bannerman High School requires a high standard of behaviour from all within it. | We appreciate the support of parents and carers in helping us to achieve this. All pupils are required to behave well and respect their own safety and that of others. This is also important on journeys to and from school.

Our expectations are clearly communicated to young people through our Bannerman Blueprint which is contained within our Relationships Policy (available on our school website).

## Homework

Regular, effective homework is an important part of the school day. In Bannerman High School we use an online tool *Show My Homework* to support this. This can be accessed via the school website or downloaded as an app.

Homework has many advantages:

- It reinforces work done in class
- It develops good study habits and a sense of personal discipline
- It develops areas of interest that can be followed up later in life and become a leisure pursuit
- It allows parents to see, help and become involved in their child's work

The amount of homework varies in length, nature and frequency depending on the subject. The amount of homework will increase as your child progresses through the school.

## **Supported Learning**

This is an important initiative which allows pupils to attend additional classes during lunchtimes, after school and during holiday periods. Young people not on track with their learning will be expected to attend. Large numbers of our staff give generously of their time in this area. Subjects on offer will depend on the staff available to deliver. Pupils will be kept informed of the arrangements via the school website.

## **Parent Council**

We have an active Parent Council that represents the views of all parents. All parents are welcome to attend Parent Council meetings and can become members at the AGM in September. Parent Council minutes are available on the Parent Council page of the school website and on request from the school office. A list of current members is also available on the website.

## **Pupil Parliament**

Our Pupil Parliament is made up of representative from each Tutor class and is led by the S6 House Captains. This is an important group which ensures that the views of pupils are heard.

**Respect**

**Responsibility**

**Ambition**

**Every child has the right to an education: UNCRC Article 28**

## Wider Achievement

We have a wide range of activities which extend the learning experience. At the last count, there were 35 lunchtime and afterschool activities on offer. The list constantly changes but our school website is updated to reflect this.

Bannerman High School has strong traditions in sport and dance and run many afterschool activities to support this. We also have a thriving performing arts faculty and there are many opportunities for young people to get involved in theatre and music performance.

## School Improvement

On an annual basis, you will receive a copy of our Standards and Quality report. Copies from previous years are available on the school website. The Standards and Quality report will be used to share the overall exam performance of the school and highlights progress in key curricular areas such as literacy, numeracy and health & wellbeing. Our priorities for improvement are detailed in our School Improvement Plan which is discussed with our Parent Council. Any parent or carer seeking a copy of the plan can contact the school office or check out our website.
